PATENT ASSIGNMENT

THIS PATENT ASSIGNMENT is made this 28th day of May, 1999 by and between BICC Cables Corporation, a Delaware company ("Assignor") and BICC General Cable (USA), LLC, a Delaware limited liability corporation ("Assignee").

WHEREAS, Assignor is willing in connection with certain transactions being consummated on the date hereof to assign to Assignee all of Assignor's right, title and interest in and to: all U.S. patents and patent applications listed on Exhibit A attached hereto; and (2) all foreign patents and patent applications listed on Exhibit B attached hereto (collectively, "Patents"); and

WHEREAS, Assignee desires to acquire all of Assignor's right, title and interest in, to and under said Patents.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor has sold, assigned, transferred and set over, and does hereby sell, assign, transfer and set over, unto the said Assignee, its successors, legal representatives and assigns, all of Assignor's right, title and interest in, to and under the Patents and all divisions, renewals and continuations thereof, and all Letters Patent of the United States which may be granted thereon and all reissues and extensions thereof (including, without limitation, all proceeds thereof and the rights to sue for past, present and future infringements), and all applications for Letters Patent which may hereafter be filed for said Patents in any country or countries foreign to the United States, and all Letters Patent which may be granted for said Patents in any country or countries foreign to the United States hereby authorized, and requests the Commissioner of Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to record Assignee as the owner of all such Patents and issue all Letters Patent for said Patents to the said Assignee, as assignee of the patent applications listed on Exhibit A and Exhibit B hereto, for the sole use of Assignee, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

Assignor further agrees without further consideration to cause to be performed such other lawful acts and to execute such further assignments and other lawful documents as Assignee may from time to time reasonably request to effect fully this Assignment and to permit Assignee to be duly recorded as the registered owner of the Patents in the countries in which such Patents are currently issued and all other rights hereby conveyed.

IN WITNESS WHEREOF, the Assignor has caused this Agreement to be executed and delivered on the date first written above.
