a corporation of California, having a principal place of business at  
3003 Bunker Hill Lane, Suite 100, Santa Clara, CA 95054, ("Assignee"),  
and its successors, assigns, and legal representatives, the entire right, title, and  
interest for the United States and all foreign countries, in and to any and all  
improvements that are disclosed in the application for the United States patent that  
has been executed by the undersigned prior hereto or concurrently herewith on the  
dates indicated below and is entitled: **Processor With Multiple Execution Units  
And Local And Global Register Bypasses**

and in and to said application and all divisional, continuing, substitute, renewal,  
reissue, and all other patent applications that have been or shall be filed in the  
United States and all foreign countries on any of said improvements; and in and to all  
original and reissued patents that have been or shall be issued in the United States  
and all foreign countries on said improvements; and in and to all rights of priority  
resulting from the filing of said United States application;

agree that said Assignee may apply for and receive a patent or patents for said  
improvements in its own name; and that, when requested, without charge to, but at the
