ASSIGNMENT FOR APPLICATION FOR PATENT

WHEREAS: JAWAHAR CHUNILAL PAREKH whose address is 62 Hillside Avenue, Livingston, NJ 07039 (hereinafter referred to as Assignor), has invented a certain invention entitled "ANTIPERSPIRANT COMPOSITIONS FOR AEROSOL FORMULATIONS" for which an application for Letters Patent of the United States is being filed concurrently herewith, and executed on even date herewith;

WHEREAS REHEIS INC., a corporation of the state of Delaware and having a place of business at 235 Snyder Avenue, Berkeley Heights, NJ 07922 (hereinafter referred to as Assignee) is desirous of acquiring the entire right, title and interest in and to said application (hereinafter referred to as Application) and the invention disclosed there (hereinafter referred to as Invention), and in and to all embodiments of the Invention heretofore conceived, made or discovered by said Assignor(s), and in and to any and all patents, inventor's certificates and other forms of protection (hereinafter referred to as Patents) thereon granted in the United States of America, and foreign countries and groups of countries.

NOW, THEREFOR in consideration of good and valuable consideration acknowledged by each of said Assignors to have been received in full from said Assignee:

1. Said Assignor hereby sells, assigns, transfers and conveys to Assignee the full and exclusive right, title and interest in and to said Application and said Invention; in and to all rights to apply for foreign patents on said Invention pursuant to the International Convention for the Protection of Industrial Property or otherwise; in and to any and all Applications filed and any and all Patents granted on said Invention in the United States, any foreign country or any group of countries, including each and every Application filed and each and every Patent granted on any application which is a division, substitution, or continuation of said Application, and in and to each and every reissue or extension of any of said Patents.

2. Said Assignor hereby covenants and agrees to cooperate with said Assignee to enable said Assignee to enjoy to the

fullest extent the right, title and interest to said Invention herein conveyed in the United States, foreign countries and groups of countries. Such cooperation by said Assignor shall include prompt production of pertinent facts and documents, giving testimony, execution of petitions, oaths, specifications, declarations or other papers, and other assistance all to the extent deemed necessary or desirable by said Assignee for perfecting in said Assignee the right, title and interest herein conveyed; for prosecuting any of said application; for filing and prosecuting substitute, divisional, continuing or additional applications covering said Invention; for filing and prosecuting applications for reissuance of any of said Patents; for interference or other priority proceedings involving said Invention; and for legal proceedings involving said Invention and any application therefor and any Patents granted thereon, including without limitation opposition proceedings, cancellation proceedings, priority contests, public use proceedings, infringement actions and court actions; provided, however, that the expense incurred by said Assignor in providing such cooperation shall be paid for by said Assignee.

3. The term and covenants of this agreement shall inure to the benefit of said Assignee, its successors, assigns and other legal representatives, and shall be binding upon each of said Assignors, his/her respective heirs, legal representatives and assigns.

4. Said Assignor hereby warrants and represents that he/she has not entered and will not enter into any assignments,

contract, or understanding in conflict herewith, and that he/she has the right to make this Agreement.

IN WITNESS WHEREOF, said Assignor has executed and delivered this instrument to said Assignee on the date below written:
