A S S I G N M E N T

WHEREAS, I, Kenyon E. Clark, resident at 16501 Zumaque, Rancho Santa Fe, California 92067 have invented certain new and useful improvements in Apparatus and Method for Measuring Body Composition, and have filed United States patent application Ser. No. 09/322,001 thereon; and

WHEREAS, American Weights and Measures, a corporation of the State of California, having a place of business at 9955 Mesa Rim Road, San Diego, California 92121, is desirous of acquiring the entire right, title and interest in and to said invention, said patent application, and in and to any Letters Patent that may be granted therefor in the United States and in any and all foreign countries.

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) to me in hand paid, the receipt whereof is hereby acknowledged, and other valuable considerations, I have sold, assigned and transferred, and by these presents do sell, assign and transfer unto American Weights and Measures, the full and exclusive right to said invention in the United States and its territorial possessions and in all foreign countries, the entire right, title and interest in and to any and all Letters Patent which may be granted thereon in the United States and its territorial possessions and in any and all foreign countries, and in and to any and all divisions, reissues, continuations and extensions thereof.

I hereby authorize and request the Patent and Trademark Office officials in the United States and in any and all foreign countries to issue any and all of said Letters Patent, when granted, to American Weights and Measures, as the assignee of the entire interest in and to the same, for the sole use and behalf of American Weights and Measures, its successors and assigns.

FURTHER, I agree that I will communicate to American Weights and Measures, or its representatives, any facts known to me respecting said invention, and testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, substitution, renewal and reissue applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to American Weights and Measures, make all rightful oaths, and generally do everything possible for American Weights and Measures, its successors and assigns, to obtain and enforce proper protection for said invention in the United States and in any and all foreign countries.

IN TESTIMONY WHEREOF, I have hereunto set my hand.
