ASSIGNMENT

FOR GOOD AND VALUABLE CONSIDERATION, the receipt, sufficiency and adequacy of which are hereby acknowledged, the undersigned, do/does hereby:

SELL, ASSIGN AND TRANSFER to General Electric Company ("the Assignee), hereinafter referred to as GE, a New York corporation, acting through its GE Plastics component, with offices located at One Plastics Avenue, Pittsfield, Massachusetts, the entire right, title and interest for India, the United States and all foreign countries of the world, which are disclosed in the priority application for Letters Patent, which has been executed by the undersigned concurrently herewith and is entitled **METHOD OF ENHANCING CRYSTALLINITY OF POLYCARBONATES** filed on November 9, 1998, in India as Indian Patent Application Serial No. 1984/CAL/98 such application and all divisional, continuing, substitute renewal, reissue and pending applications based on said original patent, which have been or shall be filed in India, the United States and all foreign countries of the world and which have been or shall be issued in India, the United States, and all foreign countries of the world; specifically including the right to file foreign applications under the provisions of any convention or treaty and claim priority based on provisional applications in the United States, or patent applications in India, the United States, and all foreign countries of the world;

AUTHORIZE AND REQUEST the issuing authority to issue any and all Indian, United States, and foreign patents granted to the Assignee;

WARRANT AND COVENANT that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been or will be made to others by the undersigned, and that the full right to convey the same as herein expressed is possessed by the undersigned;

COVENANT, when requested and at the expense of the Assignee, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and pending applications based on said original patent; execute all rightful oaths, declarations, assignments, powers of attorney and other papers; communicate to the Assignee all facts known to the undersigned relating to such patents and the history thereof; and generally do everything possible which the Assignee shall consider desirable for vesting title to such patents in the Assignee, and for securing, maintaining and enforcing proper patent protection.

TO BE BINDING on the heirs, assigns, representatives and successors of the undersigned and extend to the successors, assigns and nominees of the Assignee.
