ASSIGNMENT

WHEREAS, I, TIMOTHY H. PARKES, residing at 9609 Mountain Lake Drive, Ooltewah, TN 37363, made certain new and useful inventions and improvements relating to TISSUE DISPENSER TECHNOLOGY for which I have executed an application for Letters Patent of the United States entitled TISSUE DISPENSER FOR AN AUTOMOBILE CUP HOLDER having a filing date of June 18, 1998 and issued Serial No. 29/089,698;

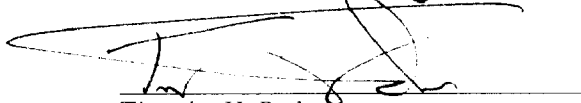

AND WHEREAS, REMINGTON INDUSTRIES, INC., a corporation organized and existing under and by virtue of the laws of the State of Tennessee, and having an office and place of business at Benton Industrial Park, P.O. Box 217, Benton, Tennessee 37307 (hereinafter "Assignee") is desirous of acquiring the entire right, title and interest in and to said inventions, improvements and application and in and to the Letters Patent to be obtained therefore;

NOW THEREFORE, to all whom it may concern, be it known that for and in consideration of the sum of One Dollar and other good and valuable considerations, the receipt and sufficiency of which are hereby acknowledged, I have sold, assigned, and transferred, and by these presents do sell, assign and transfer unto said Assignee, its successors or assigns, the entire right, title and interest for all countries in and to all inventions and improvements disclosed in aforesaid application, and in and to the said application, all divisions, continuations, or renewals thereof, all Letters Patent which may be granted therefrom, and all reissues or extensions of such patents, and in and to any and all applications which have been or shall be filed in any foreign countries for Letters Patent on said inventions and improvements, including an assignment of all rights under the provisions of the International Convention, and all Letters Patent of foreign countries which may be granted therefrom; and I hereby do authorize the Commissioner of Patents and Trademarks to issue any and all United States Letters Patent for the aforesaid inventions and improvements to the said Assignee as the assignee of the entire right, title and interest in and to the same, for the use of the said Assignee, its successors or assigns.

AND, for the consideration aforesaid, I hereby agree that I and my executors and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts known to me relating to said improvements and the history thereof and will testify in all legal proceedings and generally do all things which may be necessary or desirable more effectually to secure to and vest in said Assignee, its successors or assigns the entire right, title and interest in and to the said improvements, inventions, applications, Letters Patent, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed or intended to be so.

AND, furthermore, I covenant and agree with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by me and that full right to convey the same as expressed herein is possessed by me.

IN TESTIMONY WHEREOF, I have hereunto set my hand this 1st day of June, 1999.
