## ASSIGNMENT

For valuable consideration, we, PETER B. DERVAN of 1235 St. Albans Road, San Marino, California 91108 and ELDON E. BAIRD of 311 Halyard Lane, Foster City, California 94404 (hereinafter referred to as "the Assignors"), hereby assign to CALIFORNIA INSTITUTE OF TECHNOLOGY, a non-profit organization organized and existing under and by virtue of the laws of the State of California and having its principal place of business at 1200 East California Boulevard, Pasadena, California 91125 and its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title and interest throughout the world in the inventions and improvements which are the subject of an application for United States Patent filed herewith, U.S. Serial No. to be assigned, and related applications and patents, entitled INHIBITION OF MAJOR GROOVE DNA BINDING PROTEINS BY MODIFIED POLYAMIDES, this assignment including said application, any and all United States and foreign patents granted for any of said inventions or improvements, including all divisions, continuations, reissues, continuations-in-part and extensions thereof, and the right to claim priority based on the filing date of said application and based on the filing date of any provisional application of which said application claims the benefit under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and we authorize the Assignee to apply in all countries in our names or in its own name for patents and like rights of exclusion and for inventor's certificates for said inventions and improvements; and we agree for ourselves and our heirs, legal representatives and assigns, without further compensation, upon request to perform such lawful acts, to promptly provide Assignee with all pertinent facts and documents relating to said invention or application as may be known and accessible to us, to testify in any interference or litigation related to said invention or application and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this Assignment.

The Assignors hereby covenant that no assignment, sale, agreement, or encumbrance has been or will be made or entered into which would conflict with this Agreement.

IN WITNESS WHEREOF, I hereto set my hand and seal at 2 Corporate Dr., this 6  
day of August, 1999.
