ASSIGNMENT

WHEREAS, I, **Gene Komer** (herein called "ASSIGNOR"), residing at **2817 West County Road 54G, Fort Collins, CO 80524**, am the inventor of the invention "**Avermectin Formulation**," for which I have executed an application for a Patent of the United States, filed **January 29, 1996** as Serial No. **08/593,075**, and which issued as **U.S. Patent No. 5,773,422** on **June 30, 1998**.

WHEREAS, **Veterinary Research Associates, Inc.** (herein called "ASSIGNEE"), a corporation organized and existing under the laws of the State of New York having a principal place of business at **20 Old Dock Road, Yaphank, NY 11980** is desirous of obtaining my entire right, title and interest in, to and under the said invention and the said application;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) to me in hand paid, and other good and valuable consideration the receipt of which is hereby acknowledged, I, the said ASSIGNOR, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, my entire right, title and interest in, to and under the said invention, and the said United States Application and all divisions, renewals and continuations thereof, and all Patents of the United States which may be granted thereon and all reissues and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for said invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority of the United States, under The International Union for the Protection for Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof;

AND I HEREBY authorize the above-mentioned assignee or its legal representative to insert in this instrument the filing date and serial number of my said application or any other information that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.
