ASSIGNMENT

WHEREAS, BEN M. HSIA, of Los Angeles, Assignor, has co-invented a new, original, and ornamental STROLLER for which an application for United States Letters Patent was filed on September 2, 1997 in the name of CHIH-HUANG YANG, which issued as United States Design Patent No. 396,832; and

WHEREAS, Assignor believe himself to be an original, first and joint inventor of the invention disclosed and claimed in the Letters Patent; and

WHEREAS, MTS PRODUCTS, INC., a California corporation, having a place of business at 19401 Business Center Drive, Northridge, California, 91324, Assignee, desires to acquire by formal, recordable assignment the entire right, title and interest in and to the invention, the application, and the Letters Patent for the invention in the United States and throughout the world;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns and transfers to Assignee, the entire right, title and interest in and to the invention, the application, and the Letters Patent for the invention in the United States and throughout the world, including, but not limited to, the right to file foreign applications directly in the name of Assignee, the right to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties or otherwise, and the right to recover for past infringement.

Further, Assignor agrees that, upon request and without further compensation, but at no expense to Assignor, he and his legal representatives and assigns will perform all lawful acts, including the execution of papers and the giving of testimony, that might be necessary or desirable for obtaining, sustaining, reissuing or enforcing Letters Patent in the United States and throughout the world for the invention, and for perfecting, recording or maintaining the title of Assignee, its successors and assigns, to the invention, the application, and any Letters Patent granted for the invention in the United States and throughout the world.

Assignor represents and warrants that he has not granted and will not grant to others any rights inconsistent with the rights granted by this Assignment.

Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patent granted for the invention on any subsequently filed division, continuation,

continuation-in-part or reissue application, to Assignee, its successors and assigns, as the assignee of the entire interest in the invention.

IN WITNESS WHEREOF, Assignor has executed this Assignment.
