ASSIGNMENT

WHEREAS, **Todd Alan Ballsy**, a citizen of the United States of America, whose post office address is **406 West Campus View Drive, Riverside, California 92507 USA**; hereinafter referred to as "Assignor" has invented certain new and useful improvements relating to:

Chemical Mixing, Replenishment, and Waste Management System

an application for Letters Patent having been filed in the United States Patent and Trademark Office under the Patent Cooperation Treaty on **April 30, 1999** and afforded International Application No. **PCT/US99/09541** and in the United States Patent and Trademark Office as a provisional patent application Serial No. **60/083,811** on **May 1, 1998**.

WHEREAS, Assignor is the sole and exclusive inventor in said application for Letters Patent;

WHEREAS, **DJ Parker Company, Inc. d/b/a/ Parker Systems**, a corporation of the State of Michigan, having a principal place of business at **2821 East Philadelphia Avenue, Unit D, Ontario, California 91761**, hereinafter referred to as Assignee, is desirous of acquiring a formal assignment of the entire interest in and to the aforementioned improvements, and in, to and under any and all Letters Patent of the United States and in any and all foreign countries thereof;

WHEREAS, Assignor is desirous of transferring a formal assignment of his entire interest in and to the aforementioned improvements, and in, to and under any and all Letters Patent of the United States and in any and all foreign countries thereof to said Assignee;

NOW, THEREFORE, this indenture witnesseth that for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over and docs hereby sell, assign, transfer and set over to the said Assignee, the said invention and application, and any and all divisions and continuations thereof, and any and all Letters Patent of the United States, its territorial possessions and any and all foreign countries which may be granted therefor, and any and all reissues or said Letters Patent, including the subject matter of any and all claims which may be obtained in every such patent, the same to be held and enjoyed by the said Assignee for his own use and advantage, and for the use and advantage of his successors, assigns, and other legal representatives, to the end of the term or terms for which said Letters Patent of the United States, territories, and foreign countries are or may be granted or reissued, as fully and entirely as the same would have been held and enjoyed by Assignor, if this assignment and sale had not been made.

AND, Assignor hereby authorizes and requests the Commissioner of Patents to issue any and all Letters Patent of the United States on said invention, or resulting from said application, and from any and all divisions and continuations thereof to the said Assignee, of the entire interest herein,
