Dear Sir:

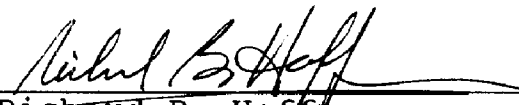

This is a Request for Corrective Assignment to correct
 the incorrect application number of the Assignment previously
 recorded at reel/frame 9443/0652. Applicant respectfully
 requests that the database be corrected, and that a new Notice of
 Recordation of Assignment Document be issued, to reflect the
 correct application number of the subject patent application,
 namely 09/125,277. Applicant filed the subject patent
 application on August 14, 1998 as the U.S. National Stage filing
 of PCT/EP97/06081, filed November 4, 1997. On September 10,
 1998, the Applicant recorded an Assignment of the invention to
 Kronos AGB Hermann Kronseder Mashinefavrik. However, due to a
 typographical error, the Recordation Form Cover Sheet incorrectly
 listed the application number as "09/125227" instead of the
 correct application number 09/125,277.

As a result, Applicant's attorney received a Notice of Recordation of Assignment, indicating that Serial Number 09125227 has been assigned to Kronos AGB Hermann Kronseder Mashinefavrik. It is respectfully requested that this erroneous earlier assignment, which was recorded at reel/frame 9443/0652, be corrected, and that the enclosed Assignment be recorded to indicate that the correct patent application number 09/125,277 is assigned to Kronos AGB Hermann Kronseder Mashinefavrik. The Applicant notes that the correct application number 09/125,277 was included in a later Recordal of Change of Name of the Assignee of the subject patent application, to "Kronos AG", which was filed on July 7, 1999.

The Applicant submits herewith a new Assignment Cover Sheet and a copy of the original Assignment document, together with a check for \$40.00 for the new recording fee. Applicants further submit a copy of the recordation cover sheet that listed the incorrect application number, as well as a copy of the Notice of Recordation of Assignment. In the event any further fees are necessary in order to process this Request, please charge the cost thereof to our Deposit Account No. 20-1111.

Respectfully submitted,
