A S S I G N M E N T

I, Steven Robert Alexander of Cincinnati, County of Hamilton, State of Ohio have made a certain new and useful invention as set forth in an application for United States Letters Patent entitled Co-Milled Mixtures Comprising Polyol and Method of Making, Attorney's Docket 6179, executed by me the 17th day of July, 1996 Serial No. 087684, 118, filed the 17th day of July, 1996, (the hereinafter named assignee being hereby authorized to insert said Serial Number and filing date when ascertained):

I made said invention set forth in said patent application while employed by The Procter & Gamble Company, and acknowledge my obligation at the time the invention was made to assign said invention to The Procter & Gamble Company. Pursuant to said obligation, I assign to The Procter & Gamble Company, its legal representatives, successors and assigns, the entire right, title and interest, including the right to claim priority of the filing date of said patent application under international conventions, in said invention as set forth in said patent application, and in all patents of the United States and of any foreign country which may be issued for said invention, as fully and completely as the same would have been held by me had this assignment not been made. The entire right, title and interest shall vest irrevocably in The Procter & Gamble Company. I further agree upon request, without additional compensation but at no expense to me, to execute or assent to foreign applications, and to execute all other legal documents as may be necessary or desirable to vest the enjoyment of the rights assigned to The Procter & Gamble Company, its legal representatives, successors and assigns, or as said Company may direct.

AND I request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to said The Procter & Gamble Company, its legal representatives, successors or assigns, as the sole owner of the entire right, title, and interest in said patent and the invention covered thereby.

Steven Robert Alexander
