PATENT ASSIGNMENT

In consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, **BACHARACH, INC.**, a Delaware corporation ("Assignor"), hereby transfers and contributes Assignor's entire right, title and interest in and to the Letters Patent and applications for Letters Patent listed on attached Schedule 1 to **SCOTT/BACHARACH INSTRUMENTS, LLC**, a Delaware limited liability company, its successors and assigns (referred to collectively herein as "Assignee"), with and including any and all inventions disclosed in or covered by said Letters Patent and applications for Letters Patent; any and all other applications for Letters Patent or other intellectual property on said inventions in the United States or foreign countries, including all divisional, continuation, reissue, renewal, substitute, and International Convention applications based in whole or in part upon said inventions, said Letters Patent or said applications for Letters Patent; any and all Letters Patent and reissues and extensions of Letters Patent granted for said inventions or upon said patent applications; and every priority right that is or may be predicated upon or arise from said inventions, said applications and said Letters Patent; and any and all claims for damages for past, present or future infringement of any of said Letters Patent, with the right to sue for and collect the same for Assignee's own use or benefit; the same to be held and enjoyed by Assignee, for its own use and benefit and for the use and benefit of its successors, assigns or other legal representatives to the full end of the term for which said Letters Patents are granted, as full and entirely as the same would have been held and enjoyed by Assignor if this Patent Assignment had not been made.

Assignor covenants, represents and warrants that it has the full right to convey the entire interest assigned herein and that it has not executed and will not execute any instrument in conflict herewith. Assignor further agrees that, at the request and expense of Assignee, its successors, assigns or legal representatives, Assignor shall execute any and all powers of attorney, applications, assignments, declarations, affidavits and other documents, make all lawful oaths, and take any other lawful actions reasonably needed by Assignee, its successors, assigns and legal representatives in order to vest, perfect or enforce the aforesaid right, title and interest in and to said inventions, applications for Letters Patent, and Letters Patent. Assignor authorizes Assignee to file patent applications in any or all countries on any or all said inventions in the name of the Assignee, under the International Convention or otherwise, and authorizes the Commissioner of Patents of the United States of America and the empowered officials of all other governments to issue or transfer all said Letters Patent to the Assignee in accordance herewith.

IN WITNESS WHEREOF, the following duly authorized representative of Assignor has executed this Patent Assignment as of this 1st day of September, 1999.

BACHARACH, INC.
