ASSIGNMENT
(joint inventors)

We are the joint inventors whose names and residences are listed below:

1. **Farshid Farrokhnia**, a resident of the City of Brookfield, Wisconsin.
2. **Kenneth Scott Kump**, a resident of the City of Waukesha, Wisconsin.
3. **Donald G. Webster**, a resident of the City of Oconomowoc, Wisconsin.
4. **Richard Aufrichtig**, a resident of the City of Mountain View, California.

We have jointly made an invention comprising certain new, useful, and nonobvious improvements in

**MODULAR INTERCHANGEABLE PHANTOMS
FOR MULTIPLE X-RAY SYSTEMS**

Said invention is described or intended to be described and set forth in the patent application presently identified as Docket No. **G.E. DOCKET NUMBER 15-XZ-4857**, which we executed on the same date(s) as we signed this assignment for the purpose of seeking Letters Patent of the United States for our invention.

General Electric Company, a corporation organized and existing under and by virtue of the laws of the State of New York having a place of business at **1 River Road, Schenectady, New York 12345**, (hereinafter: "said assignee") desires to acquire the entire right, title, and interest in and to said invention, said application, and any Letters Patent which may be granted for said invention, said application, and any and all divisions, continuations, continuations-in-part, reissues, reexamination certificates, and extensions thereof.

We warrant and represent that we conceived said invention ourselves, that no one other than us is a joint inventor of said invention, and that neither we nor any of us have assigned or agreed to assign any rights in said invention or said application to anyone other than said assignee or a predecessor in interest to said assignee.

NOW, THEREFORE, in consideration of one dollar and other good and valuable consideration, the receipt of which is hereby acknowledged, we hereby assign to said assignee, its successors and assigns, the entire worldwide right, title, and interest in and to said invention, said application, and any Letters Patent which may be granted for said invention, said application, and any and all divisions, continuations, continuations-in-part, reissues, reexamination certificates, substitutes, and extensions of said application (each of which is included herein as a part of "said application"),

including but not limited to all our United States and other national rights to said invention and said application and all our rights under the Paris Convention for the Protection of Industrial Property and all other applicable treaties or laws in respect to said invention and said application.

We hereby authorize and request the United States Commissioner of Patents and Trademarks to issue any Letters Patent which may be granted for said invention or upon said application unto said assignee, its successors and assigns, in accordance with this assignment.

We hereby authorize said assignee to apply for patents on said invention in foreign countries, claiming the filing date of said application under the provisions of the Paris Convention for the Protection of Industrial Property and all other applicable treatise and laws, and we further agree to execute any and all documents that may be required or desired by said assignee in order that said assignee may apply for Letters Patent on said invention in foreign countries in our or its name.

We hereby agree to promptly communicate to said assignee or its representatives any facts known to us respecting said invention or said application; to testify in any legal proceeding relating thereto; to sign all lawful papers, including but not limited to all divisional, continuing, continuing-in-part, reissue, substitute, and extension applications, all rightful oaths or declarations, and documents confirming or substituting for this assignment.
