ASSIGNMENT

WHEREAS, I, Stephen W. Bouthillier, of 1263 Primrose St. Ridgecrest, CA 93555, United States of America, while employed by the Government of the United States, have invented certain new and useful improvements described in U.S. Patent Application Serial No. 09/146,920 entitled Secured Network System which was filed on August 28, 1998; and

Whereas, I have assigned and transferred to the United States of America, as represented by the Secretary of the Navy, and hereinafter called the Government, the entire right, title and interest in and to said invention within the United States of America, its territories and possessions, and the entire right, title and interest in and to said application and any continuation, division, or substitution thereof, and such Letters of Patent as may issue therefrom and any reissue or extensions thereof;

Whereas, the Government is desirous of obtaining the entire right, title, and interest in and to the invention within the following foreign countries:

ALL PCT Member States as outlined in MPEP 1817;

Whereas, by acquiring the entire right, title, and interest in and to the invention within the above listed foreign countries, the Government will be enabled to license the invention in such countries and share the income from the licensing with the inventors as allowed by law;

Now therefore, I do hereby also grant unto the Government, the entire right, title and interest in the invention and all patent applications or other forms of protection thereon in the above listed countries in which the Government may file or cause to be filed, applications for Letters of Patent or other forms of protection. This assignment is made nunc pro tunc August 28, 1998.

I hereby further agree to make, execute, and deliver to the Government, any and all papers, documents, affidavits, statements, or other instruments that may be necessary in the prosecution of the application and of any continuation, division or substitution of the application, or any application for reissue or extension of said Letters of Patent and to assist the Government in every way in protecting the invention as may be requested, provided that any expense arising through such efforts will be paid by the Government.

IN TESTIMONY WHEREOF, I have set my hand and affixed my seal.

# ASSIGNMENT

WHEREAS, we, Ross E. Seybold, of 248 N. Florence St. Ridgecrest, CA 93555 and Kenneth D. Wesche, of 808 S. Cheasapeake, Ridgecrest, CA 93555, United States of America, while employed by the Government of the United States, have invented certain new and useful improvements described in U.S. Patent Application Serial No. 09/146,920 entitled Secured Network System which was filed on August 28, 1998; and

Whereas, we have assigned and transferred to the United States of America, as represented by the Secretary of the Navy, and hereinafter called the Government, the entire right, title and interest in and to said invention within the United States of America, its territories and possessions, and the entire right, title and interest in and to said application and any continuation, division, or substitution thereof, and such Letters of Patent as may issue therefrom and any reissue or extensions thereof;

Whereas, the Government is desirous of obtaining the entire right, title, and interest in and to the invention within the following foreign countries:

ALL PCT Member States as outlined in MPEP 1817;

Whereas, by acquiring the entire right, title, and interest in and to the invention within the above listed foreign countries, the Government will be enabled to license the invention in such countries and share the income from the licensing with the inventors as allowed by law,

Now therefore, we do hereby also grant unto the Government, the entire right, title and interest in the invention and all patent applications or other forms of protection thereon in the above listed countries in which the Government may file or cause to be filed, applications for Letters of Patent or other forms of protection. This assignment is made nunc pro tunc August 28, 1998.

We hereby further agree to make, execute, and deliver to the Government, any and all papers, documents, affidavits, statements, or other instruments that may be necessary in the prosecution of the application and of any continuation, division or substitution of the application, or any application for reissue or extension of said Letters of Patent and to assist the Government in every way in protecting the invention as may be requested, provided that any expense arising through such efforts will be paid by the Government.
