ASSIGNMENT

FOR VALUE RECEIVED, We, **James A. Ariglio**, residing at 200 Hamilton Circle, Painted Post, New York 14870, **Ted A. Brownlee**, residing at 2038 Locust Street, Livermore, California 94550, **Vincent W. Howell**, residing at 21 Barrington Road, Horseheads, New York 14845, **Jeffrey C. McCreary**, residing at 613 Hillingdon Way, Horseheads, New York 14845, **Alan G. Ryder**, residing at 2875 County Line Drive, Big Flats, New York 14814, **Steven A. Shifman**, residing at 912 Bentley Oaks, San Ramon, California 94583, and **Peter M. Voit**, residing at 8623 Fenwick Way, Dublin, California 98543, hereby sell, assign and transfer unto **Corning Incorporated**, a corporation of New York, having a place of business at Corning, New York 14831, as assignee, and its successors, assigns and legal representatives, the entire right, title and interest, for all countries in and to certain inventions relating to

INSPECTION SYSTEM FOR SHEET MATERIAL

described in an application for Letters Patent of the United States having the following serial number and filing date:

Serial Number:	<u>09/342,285</u>
Filing Date:	<u>June 29, 1999</u>

and in any future patent applications claiming the benefit of the filing date of that application, and all the rights and privileges under any and all Letters Patent that may be granted therefor.

We request that any and all patents for said inventions be issued to said assignee, its successors, assigns and legal representatives, or to such nominees as it may designate.

We agree that, when requested, we will, without charge to said assignee but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said inventions in any and all countries and for vesting title thereto in said assignee, its successors, assigns and legal representatives or nominees.

We authorize and empower the said assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said inventions filed by it or them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from us.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of the said assignee or nominee to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.

We covenant with said assignee, its successors, assigns and legal representatives, that the rights and property herein conveyed are free and clear of any encumbrance, and that we have full right to convey the same as herein expressed.

We hereby authorize and request our attorney, Maurice M. Klee, of 1951 Burr Street, Fairfield, CT 06430; to insert in the blanks set forth above, the serial number and filing date of our United States patent application on the inventions which are the subject of this assignment when said serial number and filing date are known.
