ASSIGNMENT AND AGREEMENT

FOR VALUE RECEIVED, We, Donald H. Keskula, Tien M. Doan, and Bruce J. Clingerman, citizens of the United States and residing at 1205 State Road, Webster, New York, 14580; 188 Crittenden Way, #5, Rochester, New York, 14623; and 1855 Rt. 12 North, Palmyra, New York, 14522, respectively, hereby sell, assign and transfer to General Motors Corporation, a corporation duly organized and existing under the laws of the State of Delaware and having a place of business at Detroit, Michigan, as assignee, and its successors, assigns and legal representatives, the entire right, title and interest for the United States of America and all countries in and to certain inventions relating to

FUEL PROCESSOR TEMPERATURE MONITORING AND CONTROL

which are described in the specification in an application, executed by us on the 30 day(s) of August, 1999, filed on July 6, 1999, and assigned U.S. Serial No. 09/347,407, and all the rights and privileges under any United States Letters Patent and all foreign Letters Patent that may be granted therefor.

We request that any and all United States and foreign patents for the inventions be issued to the assignee, its successors, assigns and legal representatives, or to such nominees as it may designate.

We agree that, when requested, we will sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for the inventions in any and all countries, and for vesting title thereto in the assignee, its successors, assigns and legal representatives or nominees.

We authorize and empower the assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for the inventions filed by it or them, the benefit of

the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from us.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of the assignee or nominee to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.

We covenant with the assignee, its successors, assigns and legal representatives, that the rights and property herein conveyed are free and clear of any incumbrance, and that we have full right to convey the same as herein expressed.
