ASSIGNMENT

WHEREAS, we, **Mark C. Burleigh**, a citizen of the United States of America, residing at 789 Pearl Drive, Lenoir City, Tennessee 37771, and **Yongsoon Shin**, a citizen of Korea, residing at 1151 Dos Palos Ct., Richland, Washington 99352, have invented certain inventions and improvements disclosed in an application for Letters Patent entitled “**IMPRINT-COATING SYNTHESIS OF SELECTIVE FUNCTIONALIZED ORDERED MESOPOROUS SORBETS FOR SEPARATION AND SENSORS**,” about to be filed in the United States Patent and Trademark Office; and

WHEREAS, **The University of Tennessee Research Corporation**, a corporation of the State of Tennessee having a principal place of business at 1534 White Avenue, Suite 403, Knoxville, Tennessee 37996-1527, is desirous of acquiring an interest in the same;

NOW, THEREFORE, for and in consideration of Five Dollars (\$5.00) and other good and valuable consideration, the receipt and sufficiency of which we hereby acknowledge, we, **Mark C. Burleigh** and **Yongsoon Shin**, by these presents do sell, assign, and transfer unto **The University of Tennessee Research Corporation**, the full, exclusive, and entire right, title, and interest in and to said application, in and to any divisions, continuations, and reissues thereof, and in and to all inventions and improvements disclosed and described in said application, preparatory to obtaining Letters Patent of the United States therefor; and we hereby request the Commissioner of Patents and Trademarks to issue any and all Letters Patent of the United States resulting from said application, or from a division, continuation, or reissue thereof, to **The University of Tennessee Research Corporation**, as the assignee, for its interest and for the sole use and benefit of **The University of Tennessee Research Corporation** and its assigns and legal representatives;

For the same consideration, we, by these presents do sell, assign, and transfer to **The University of Tennessee Research Corporation**, the full, exclusive, and entire right, title, and interest in and to any foreign application or applications corresponding to said application, in whole or in part, in countries other than the United States, in and to any Letters Patent and similar

priority rights arising from or required for said foreign applications under the terms of any applicable conventions, treaties, statutes, or regulations; said foreign applications to be filed and issued in the name of **The University of Tennessee Research Corporation**, or its designee insofar as permitted by applicable law.

AND, for the same consideration, we agree to sign all lawful papers, execute all division, continuing, reissue and other applications, make all assignments and rightful oaths, and generally do everything possible to aid **The University of Tennessee Research Corporation**, its successors, assigns, and nominees, to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world.
