## ASSIGNMENT

WHEREAS, I, MEHRDAD SARLAK of Crystal  
County of Hennepin, and State of Minnesota have invented certain new and  
useful improvements in a TWO STAGE SERVO GAS PRESSURE REGULATOR MODULE  
for which an application is about to be made for Letters Patent of the United States, said application  
having been executed on even date herewith; and

Whereas, Honeywell Inc., a corporation organized and existing under the laws of the State of  
Delaware, and having its principal offices at Honeywell Plaza, Minneapolis, Minnesota 55408 U.S.A. is  
desirous of acquiring the entire right, title and interest in and to said invention, said application and in, to  
and under any and all Letters Patent to be obtained therefor;

Now, therefore, for good and valuable consideration to me paid by the said Honeywell Inc., the  
receipt of which is hereby acknowledged, I have sold, assigned and transferred, and by these presents do  
hereby sell, assign and transfer unto the said Honeywell Inc., its successors and assigns, my entire right,  
title and interest in and to said invention, said application and the Letters Patent, both foreign and  
domestic, that may or shall issue, including all of my rights under any and all international conventions,  
treaties and/or agreements concerning patents to which the United States is a party, and I do hereby  
authorize and request the Commissioner of Patents to issue said Letters Patent to the above mentioned  
assignee in accordance herewith.

I further authorize said assignee, its successors and assigns, or anyone it may properly designate,  
to apply for Letters Patent, in its own name if desired, in any and all foreign countries, and additionally  
to claim the filing date of said United States application and/or otherwise take advantage of the  
provisions of any international convention, treaty and/or agreement.

I do hereby covenant and agree with the said assignee, its successors and assigns, that I will not  
execute any writing or do any act whatsoever conflicting with these presents, and that I or my executors  
or administrators will at any time upon request, without further or additional consideration, but at the  
expense of the said assignee, its successors and assigns, execute such additional writings and do such  
additional acts as said assignee, its successors and assigns, may deem necessary or desirable to perfect  
the assignee's enjoyment of this grant, and render all necessary assistance in making application for and  
obtaining original, divisional, reissued or extended Letters Patent of the United States, or any of and all  
foreign countries on said invention, and in enforcing any rights, occurring as a result of such applications  
or patents, by giving testimony in any proceedings or transactions involving such applications or patents.
