ASSIGNMENT

IN CONSIDERATION of One Dollar and other good and valuable considerations, the sufficiency and receipt of which is hereby acknowledged, we, John Bretz and Jeff Lichtman, hereby assign to STOKELY-VAN CAMP, INC., a corporation of the State of Indiana having its principal office in Chicago, Illinois, United States of America, its successors and assigns, the entire right, title and interest in the bottle design invention, as set forth below in a design patent application for BOTTLE, filed on the 26th day of March, 1999, and assigned Serial No. 29/102,685, executed by us respectively, the 14th day of September, 1999, and the 9th day of September, 1999 (a representative of the named assignee being hereby authorized to insert said execution dates when ascertained), including any improvements, thereof and any and all divisional and continuation applications, and in any and all Letters Patents, reissues and extensions issuing thereon, and we hereby authorize and request the Assistant Commissioner of Patents to assign said Letters Patents to said STOKELY-VAN CAMP, INC.

FOR SAID CONSIDERATION, we hereby agree, upon the request and on behalf of said assignee, its successors and assigns, to execute any and all divisional and continuing applications for said invention or improvements, and any necessary oath or supplemental oath or affidavit relating thereto, and any application for the reissue or extension of said Letters Patents and any Letters Patent that may be granted upon any divisional and continuation applications that said assignee, its successors or assigns, may deem necessary or expedient, and for the said considerations we further agree upon the request of said assignee, its successors and assigns, in the event of said Letters Patents or any division or continuation thereof, or any Letters Patent issued thereon, or any reissue or application for the reissue thereof, becoming involved in interference, to cooperate to the best of our ability with said assignee, its successors or assigns, in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof, we hereby agree to perform, upon such request and at the expense of said assignee, any and all affirmative acts to obtain said Letters Patents and vest all rights therein hereby conveyed in the said assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by us if this assignment and sale had not been made. And for the said considerations we hereby assign to said STOKELY-VAN CAMP, INC., its successors and assigns, the entire right, title and interest in said invention or improvements for any and all foreign countries and agree upon the request of said STOKELY-VAN CAMP, INC., its successors and assigns, to execute any and all documents that shall be required of us to be executed in connection with any and all applications for foreign Letters Patent therefor, including the prosecution thereof, and to execute any and all documents necessary to vest title in said foreign applications and patents in said assignee, without further compensation, but at the expense of said assignee.
