ASSIGNMENT

In consideration of the sum of Ten Dollars (\$10.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, we, **Greg R. Brandt and Robert J. Valentine**, the undersigned inventors, residing at the addresses shown below

I. Hereby sell, assign and transfer to **Jerold B. Balzer** the entire right, title and interest for all countries, in and to the **Decorative Calendar** and any and all improvements which are disclosed but not claimed in the application for United States Patent executed by them as independent inventors on 9/18/99 and in and to said application and all divisionals, continuations, substitutions, renewals, reissues and all other applications for Letters Patent which have been or shall be filed on any of said improvements disclosed in said application; and in and to all original and reissued patents which have been or shall be issued on said improvements;

II. Authorize and request the Commissioner of Patents to issue to said Assignee in accordance with this assignment, any and all United States Letters Patent on said improvements, or any of them, disclosed in said application;

III. Agree that said Assignee may apply for and receive foreign Letters Patent for said improvements, or any of them; and may claim, in applications for said foreign Letters Patent, the priority of the aforesaid United States application under the provisions of the International Convention; and that, when requested, without charge to but at the expense of said Assignee, to carry out in good faith the intent and purpose of this assignment, the undersigned will, for the United States and for all foreign countries, execute all divisional, continuing, substitute, renewal, reissue and all other patent applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney and other papers, communicate to said Assignee all facts known to the undersigned relating to said improvements and the histories thereof; testify in all legal proceedings; and generally do everything possible which said Assignee shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said improvements and for vesting title to said improvements in said Assignee; and

IV. Covenant with said Assignee that we are the original and only inventors of the above-referenced United States patent applications, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
