INTELLECTUAL PROPERTY SECURITY AGREEMENT AND ASSIGNMENT

INTELLECTUAL PROPERTY SECURITY AGREEMENT AND ASSIGNMENT, dated as of June 30, 1998, made among each of the signatories party hereto (collectively, the "Grantors" and each a "Grantor"), and NationsBank, N.A., a national banking association, in its capacity as administrative agent (the "Administrative Agent"), for itself, and each lender a party to the Credit Agreement defined below (the "Lenders") and each Affiliate (as defined in the Credit Agreement) of each Lender that has entered into an Interest Hedge Agreement with an Obligor, provided that such Lender was a Lender at the time that such Interest Hedge Agreement was entered into (as defined in the Credit Agreement) (singularly, a "Secured Party" and collectively, "Secured Parties").

RECITALS

(1) Styling Technology Corporation, a Delaware corporation (the "Borrower"), the Administrative Agent, BankBoston, N.A., as Documentation Agent, and the Lenders entered into that certain Credit Agreement, dated as of June 30, 1998 (as amended, modified, supplemented or restated from time to time, the "Credit Agreement"). Capitalized terms used herein and not otherwise defined herein shall have the meanings given to them in the Credit Agreement or in Section 5.1 hereof.

(2) It is the intention of the parties hereto that this Agreement create a first priority security interest in certain property of the Grantors securing the payment of the obligations set forth in Section 1.2 hereof, subject to only Permitted Liens.

(3) It is a condition precedent to the obligation of the Secured Parties to enter into the Loan Documents and to, among other things, make the Advances, and issue, or participate in the issuance of Letters of Credit under the Credit Agreement that the Grantors shall have executed and delivered to the Administrative Agent this Agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and in order to induce Secured Parties to enter into the Loan Documents and to, among other things, make the Advances and issue, or participate in the issuance of, Letters of Credit under the Credit Agreement, the Grantors hereby agree with the Administrative Agent for its benefit and the ratable benefit of the other Secured Parties, as hereinafter set forth.

ARTICLE 1

Grant of Security Interest

Section 1.1 Assignment and Grant of Security Interest. Each Grantor hereby assigns to, and pledges and grants to the Administrative Agent, for its benefit and the ratable benefit of the other Secured Parties, a security interest in, the entire right, title and interest of such Grantor, in and to the Collateral. Notwithstanding anything herein to the contrary, "Collateral" shall not include any items to the extent the grant by such Grantor of a security interest pursuant to this Agreement in its rights in such items is expressly prohibited or restricted and the consent of the applicable Persons has not been obtained, provided that the foregoing limitation shall not affect, limit, restrict or impair the grant by such Grantor of a security interest pursuant to this Agreement in any money or other amounts due or sums due in respect of such items under section 9.318 of the UCC.

Section 1.2 Security for Obligations. This Agreement creates an enforceable security interest in the Collateral, subject only to Permitted Liens, securing the payment and performance of any and all of the Obligations. Without limiting the generality of the foregoing, this Agreement secures the payment of all amounts which constitute part of the Obligations and would be owed by the Grantors to the Administrative Agent or any other Secured Party under any Loan Document, but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding under any Debtor Relief Law involving any Grantor (including all such amounts which would become due or would be secured but for the filing of any petition in bankruptcy, or the commencement of any insolvency, reorganization or like proceeding of any Grantor or any other Person under any Debtor Relief Law). With respect to each Grantor other than the Borrower, notwithstanding anything herein to the contrary, in any action or proceeding involving any state corporate law, or any state or federal bankruptcy, insolvency, reorganization or other law affecting the rights of creditors generally if the Security Interest granted by any Grantor herein shall be held void, invalid or unenforceable, or subordinated to the liens or claims of any other creditors, on account of the amount of the Obligations secured by such Security Interest then, the amount of the Obligations secured by such Security Interest shall, without any action by such Grantor, the Administrative Agent, any other Secured Party or any other Persons, be automatically limited and reduced to the highest amount that is valid and enforceable and not subordinated to the claims of other creditors as determined in such action or proceeding.

Section 1.3 Validity and Priority of Security Interest. Each Grantor agrees that the Security Interest shall at all times be valid, perfected, continuing and binding and enforceable against such Grantor, in accordance with the terms hereof, as security for the Obligations, and that the Collateral shall not at any time be subject to any other Lien, except Permitted Liens.

Section 1.4 Maintenance of Status of Security Interest, Collateral and Rights.

(a) Required Action. Each Grantor shall take all action that may be necessary and that the Administrative Agent may reasonably request, so as at all times (i) to maintain the validity,

perfection, enforceability and priority of the Security Interest in the Collateral in conformity with the requirements of Section 1.3, and (ii) to protect and preserve, and to enable the exercise or enforcement of, the rights of the Administrative Agent hereunder, including (A) immediately discharging all Liens, except Permitted Liens, and (B) executing and delivering financing or continuation statements, instruments of pledge, notices and instructions in each case in form and substance reasonably satisfactory to the Administrative Agent.

(b) Protection of Collateral. Each Grantor shall protect, preserve, renew and maintain, in each case in a manner consistent with reasonably responsible business and legal practices as determined by such Grantor, all rights of such Grantor in the Collateral, including (i) making any filings necessary to renew or maintain the Registrations, (ii) prosecuting such suits, proceedings or other actions for infringement, unfair competition, dilution or other damage as such Grantor in its reasonable business judgment deems appropriate under the circumstances or (iii) appearing in and defending any action or proceeding that may materially adversely affect such Grantor's title to or the Administrative Agent's Security Interest in any part of the material Collateral, when such action is in such Grantor's reasonable business judgment necessary to protect the Collateral. Any expenses incurred by the Grantors in protecting, preserving, renewing and maintaining the Collateral shall be borne by the Grantors. To the maximum extent permitted by Laws, during the continuance of an Event of Default, the Administrative Agent shall have the right, without taking title to any Collateral, to bring suit to enforce its Security Interest in any or all of the Collateral, in which event each Grantor shall, at the reasonable request of the Administrative Agent, do any and all lawful acts and execute any and all proper documents reasonably required by the Administrative Agent in aid of such enforcement. All reasonable costs, reasonable expenses and other moneys reasonably advanced by the Administrative Agent in connection with the foregoing shall, whether or not there are then outstanding any amounts under the Credit Agreement, be treated as Obligations, but the making of any advances by the Administrative Agent or any other Secured Party shall not relieve the Grantors of any Event of Default.

(c) Authorized Action. The Administrative Agent is hereby authorized to file one or more continuation statements, and during the continuance of an Event of Default, financing statements (if any Grantor refuses to execute such financing statement after request by the Administrative Agent), amendments thereto, notices and instructions without the signature of or in the name of the Grantor when permitted by Applicable Law. A photocopy or other reproduction of this Agreement or of any financing statement covering the Collateral or any part thereof shall be sufficient as a financing statement where permitted by Applicable Law.

(d) Registrations. Each Grantor shall renew or maintain, as specified in and permitted by Applicable Law, and shall, except to the extent that such Grantor determines in its reasonable business judgment that such action is not warranted, make any filings necessary to renew or maintain, the Registrations referred to in Section 2.3.

Section 1.5 Grantor Remains Obligated: the Administrative Agent and Secured Parties Not Obligated. The grant by the Grantors to the Administrative Agent of the Security Interest shall

not (i) relieve the Grantors from the performance of any term, covenant, condition or agreement on its part to be performed or observed (including by virtue of the exercise by the Administrative Agent of any of its rights hereunder), (ii) relieve the Grantors from any liability to any Person, under or in respect of any of the Collateral, (iii) impose any obligation on the Administrative Agent or any Secured Party or (iv) impose any liability on the Administrative Agent or any other Secured Party for any act or omission on the part of the Grantors relative thereto.

Section 1.6 Termination.

(a) After all amounts under the Notes and in respect of the Reimbursement Obligations have been paid in full and all other amounts and expenses due and payable hereunder shall be paid and until the Commitments have been terminated, (i) this Agreement shall terminate and be of no further force and effect (except as provided in Section 1.6(b)) and all rights to the Collateral shall revert to the Grantors, and (ii) the Administrative Agent will, at the Grantors' reasonable expense, execute and deliver to the Grantors such documents as the Grantors shall reasonably request to evidence such termination.

(b) The Grantors agree that, to the extent permitted by Applicable Law, if at any time all or any part of any payment theretofore applied by the Administrative Agent and the other Secured Parties to any of the Obligations is or must be rescinded or returned by any Person for any reason whatsoever (including the insolvency, bankruptcy or reorganization of any Grantor or any other Person), such Obligations shall, for the purposes of this Agreement, to the extent that such payment is or must be rescinded or returned, be deemed to have continued in existence, notwithstanding such application by the Administrative Agent or any other Secured Party, and the Security Interest granted hereunder shall continue to be effective or be reinstated, as the case may be, as to such Obligations, all as though such application by the Administrative Agent or any other Secured Party had not been made.

ARTICLE 2

Representations and Warranties

Each Grantor represents and warrants as follows with respect to itself and the Collateral of such Grantor:

Section 2.1 Rights of the Grantor. Each Grantor is the legal and beneficial owner of the Collateral owned by it free and clear of any Lien, except for the Security Interest and Permitted Liens. No effective financing statement or other instrument similar in effect naming any Grantor as "debtor" covering all or any part of the Collateral is on file in any recording office, except such as (a) may have been filed in favor of the Administrative Agent relating to this Agreement, (b) may be filed in respect of other Permitted Liens and (c) may be filed in connection with respect to which the requirements of Section 3.1(i) of the Credit Agreement have been satisfied.

Section 2.2 Perfection. This Agreement, together with the filings referred to in Section 2.1(a) above, will create in favor of the Administrative Agent a valid and perfected security interest in the Collateral and such security interests will be a first priority security interest on existing Registrations, subject only to Permitted Liens.

Section 2.3 Registrations. Annexes A-1, A-2, B-1, B-2, C-1 and C-2, as applicable, set forth a true and complete list of all Registrations in the United States Patent and Trademark Office, the United States Copyright Office and related state filings owned by the Grantors as of the date hereof.

ARTICLE 3

Covenants

Section 3.1 Chief Executive Office. Each Grantor shall maintain its chief executive office and the office where the books and records relating to the Collateral are kept only at the location specified on Schedule 1 to the Security Agreement.

Section 3.2 No Disposition of Collateral. Except to the extent permitted by the Credit Agreement, no Grantor shall sell, transfer or otherwise dispose of any of the Collateral or any interest therein that is material to such Grantor's business, or grant any license thereunder, except for licenses granted or other dispositions in the ordinary course of business.

Section 3.3 Additional Property. If after the date hereof any Grantor uses or acquires any interest in any Registration which is within the definition of "Collateral" or modification, reformulation or other alteration to any Registration that is material to such Grantor's business, such Grantor shall execute and deliver to the Administrative Agent all documents and instruments the Administrative Agent may reasonably require to grant to the Administrative Agent a perfected first priority Lien therein (subject only to Permitted Liens) and to subject all of such interest to this Agreement, including but not limited to any new, supplementary or additional filings.

Section 3.4 Requested Information. In addition to such other Information as shall be specifically provided for herein, the Grantors shall furnish to the Administrative Agent such other Information with respect to the Collateral as the Administrative Agent may reasonably request from time to time in connection with the Collateral, or the protection, preservation, maintenance or enforcement of the Security Interest in the Collateral, including, without limitation, all documents in the Grantors' possession, or subject to its demand for possession, related to the production and sale by the Grantors, or any subsidiary, licensee or subcontractor thereof, of products or services sold by or under the authority of the Grantors in connection with the Collateral, including by way of example, without limiting the interest granted by this Agreement, all lists and ancillary documents which identify and describe any of the Grantors' licensees and all quality specifications related to the license, for products sold or services rendered under or in connection with the Collateral.

ARTICLE 4

Event of Default

Upon the occurrence and during the continuance of an Event of Default:

Section 4.1 Application of Proceeds. All cash proceeds received by the Administrative Agent upon any sale of, collection of, or other realization upon, all or any part of the Collateral shall be applied as follows:

First: To the payment of all reasonable out-of-pocket costs and expenses incurred in connection with the sale of, collection of or other realization upon Collateral, including reasonable attorneys' fees and disbursements;

Second: To the payment of the Obligations to be distributed as provided in Section 2.10(d) of the Credit Agreement (with the Grantors remaining liable for any deficiency); and

Third: To the extent of the balance (if any) of such proceeds, to the payment to the Grantors or other Person legally entitled thereto.

Section 4.2 Remedies.

(a) If an Event of Default has occurred and is continuing, the Administrative Agent may exercise in respect of the Collateral, in addition to other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party on default under the Uniform Commercial Code in effect in the State of Texas at that time (the "UCC"), and also may (i) require the Grantors to, and the Grantors hereby agree that they will at their reasonable expense and upon reasonable request of the Administrative Agent forthwith, assemble all or part of the Collateral (to the extent capable of being assembled) as reasonably directed by the Administrative Agent and make it available to the Administrative Agent at a place to be designated by the Administrative Agent, which is reasonably convenient to both parties or (ii) without notice, except as specified below, sell the Collateral or any portion thereof in one or more parcels at public or private sale, at any of the Administrative Agent's offices or elsewhere, for cash, on credit or for future delivery, and upon such other terms as the Administrative Agent may deem commercially reasonable. The Grantors agree that, to the extent notice of sale shall be required by Applicable Law, ten days' written notice to the Grantors of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification, provided that ten days' written notice does not violate any Applicable Law. The Administrative Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Administrative Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. The

Administrative Agent may be the purchaser at any sale of the Collateral and pay all or any part of the purchase price thereof by canceling part or all of the Obligations.

(b) If an Event of Default has occurred and is continuing, the Administrative Agent may obtain the appointment of a receiver of the Collateral.

(c) If an Event of Default has occurred and is continuing, the Administrative Agent may without notice to the Grantors and at such time or times as the Administrative Agent in its reasonable discretion may determine, exercise any or all of the Grantors' rights in, to and under, or in any way connected with or related to, any or all of the Collateral, including (i) enforcing the performance of, and exercising any or all of the Grantors' rights with respect to the Collateral, in each case by legal proceedings or otherwise and (ii) settling, adjusting, compromising, extending, renewing, discharging and releasing any or all legal proceedings brought with respect to any or all of the Grantors' rights with respect to the Collateral.

(d) Upon written demand of the Administrative Agent, the Grantors shall execute and deliver to the Administrative Agent an assignment or assignments of the Collateral and such other documents as are reasonably necessary to carry out the intent and purposes of this Agreement.

(e) For the purpose of enabling the Administrative Agent to exercise rights and remedies under this Section 4.2 at such time as the Administrative Agent shall be lawfully entitled to exercise such rights and remedies, and for no other purpose, the Grantors hereby grant to the Administrative Agent, an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation by the Administrative Agent to the Grantors) to, upon the occurrence and during the continuance of an Event of Default, use, assign, license or sublicense any of the Collateral now owned or hereafter acquired by any Grantor, wherever the same may be located, including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer programs used for the compilation or printout thereof.

Section 4.3 Indemnity and Expenses.

(a) THE GRANTORS JOINTLY AND SEVERALLY AGREE TO INDEMNIFY (WHICH SHALL BE PAYABLE FROM TIME TO TIME ON DEMAND) THE ADMINISTRATIVE AGENT AND OTHER SECURED PARTIES FROM AND AGAINST ANY AND ALL CLAIMS, LOSSES AND LIABILITIES (INCLUDING REASONABLE ATTORNEYS' FEES) ARISING OUT OF OR RESULTING FROM THIS AGREEMENT (INCLUDING ENFORCEMENT OF THIS AGREEMENT) TO THE EXTENT THAT THE BORROWER IS REQUIRED TO DO SO UNDER SECTION 5.9 OF THE CREDIT AGREEMENT.

(b) Each Grantor will upon demand pay to the Administrative Agent the amount of any and all reasonable out-of-pocket expenses, including the reasonable fees and disbursements of its counsel and of any experts and agents, which the Administrative Agent may incur in connection with

(i) the custody, preservation, use or operation of, or the sale of, collection from, or other realization upon, any of the Collateral or (ii) the exercise or enforcement of any of the rights of the Administrative Agent hereunder.

Section 6.1 Administrative Agent's Right to Perform on the Grantors' Behalf. If any Grantor shall fail to observe or perform any of the terms, conditions, covenants and agreements to be observed or performed by it under this Agreement, the Administrative Agent may (but shall not be obligated to) do the same or cause it to be done or performed or observed, either in its name or in the name and on behalf of such Grantor, and in the event that such Grantor shall have failed to observe or perform any of the terms, conditions, covenants and agreements to be observed or performed by it under this Agreement, then such Grantor hereby authorizes the Administrative Agent to do so, and the Grantor hereby appoints the Administrative Agent, and any other Person the Administrative Agent may designate, as such Grantor's attorney-in-fact (exercisable only during the continuance of an Event of Default) to do, or cause to be done, in the name, place and stead of such Grantor in any way in which such Grantor itself could do, or cause to be done, any or all things necessary to observe or perform the terms, conditions, covenants and agreements to be observed or performed by such Grantor under this Agreement. In addition, each Grantor hereby irrevocably appoints the Administrative Agent as such Grantor's attorney-in-fact (exercisable only during the continuance of an Event of Default) to execute and deliver in such Grantor's name and stead to any purchaser at any sale held under Section 4.2 hereof any and all documents and instruments of assignment, transfer and conveyance necessary or appropriate to transfer to such purchaser the Collateral sold at such sale. The Administrative Agent shall have, with respect to the Collateral, in addition to all of its rights under this Agreement, (a) the rights of a secured party under the UCC, whether or not the UCC would otherwise apply to the collateral in question, and (b) the rights of a secured party under all other Applicable Laws.

(b) Nothing in this section shall limit the right of any Grantor, the Administrative Agent or any other Secured Party to bring any action or proceeding against any other party or its property in the courts of any other jurisdictions.

Section 6.10 Severability. Any provision of this Agreement which is for any reason prohibited or found or held invalid or unenforceable by any court or governmental agency shall be ineffective to the extent of such prohibition or invalidity or unenforceability, without invalidating the remaining provisions hereof in such jurisdiction or affecting the validity or enforceability of such provision in any other jurisdiction.

Section 6.11 Counterparts. This Agreement may be signed in any number of counterparts, each of which when so executed and delivered shall be deemed to be an original, but all such counterparts together shall constitute but one and the same instrument.

Section 6.12 Successors and Assigns. All of the provisions of this Agreement shall be binding and inure to the benefit of the parties hereto and their respective successors and permitted assigns; provided, however, no Grantor may assign its liabilities and obligations under this Agreement without the prior written consent of all Secured Parties.

Section 6.13 Loan Documents. This Agreement is a Loan Document executed pursuant to the Credit Agreement and shall (unless otherwise expressly indicated herein) be construed, administered and applied in accordance with the terms and provisions thereof.
