ASSIGNMENT

WHEREAS, **Colorado Fuel Concepts, LLP**, with its principal place of business at 15494 West 73rd Avenue, Arvada, Colorado 80007, and **Fuel Concepts, Inc.**, with its principal place of business at 15494 West 73rd Avenue, Arvada, Colorado 80007 (collectively, the “Sellers”), are the owners of and desire to assign the entire right, title and interest in and to the issued patents as set forth in attached Exhibit A;

AND WHEREAS, **Gas Technology Energy Concepts LLC**, with its principal place of business at 415 William Gaiter Parkway, Suite 4, Buffalo, New York 14215 (“Buyer”), desires to acquire the entire right, title and interest in and to the issued patents as set forth in attached Exhibit A.

NOW, THEREFORE, for good and valuable consideration, including the sum of One Dollar (\$1) and more, the receipt of which is hereby acknowledged, Seller does hereby acknowledge that Seller has sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto Buyer, its successors, legal representatives and assigns, the entire right, title and interest throughout the world in, to and under the issued patents identified in Exhibit A and all divisions, renewals and continuations thereof, and all Letters Patent of the United States which may be granted thereon and all reissues and extensions thereof, and all rights of priority under International Conventions and applications for Letters Patent which have been and may hereafter be filed for the issued patents identified in Exhibit A in any country or countries foreign to the United States, and all Letters Patent which may be granted for the issued patents identified in Exhibit A in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and Seller hereby authorizes and requests the Commissioner of Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for the issued patents identified in Exhibit A to Buyer, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND Seller HEREBY covenants and agrees that Seller will communicate to Buyer, its successors, legal representatives and assigns, any facts known to us respecting the issued patents identified in Exhibit A and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and generally do everything possible to aid Buyer, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for the issued patents identified in Exhibit A in all countries.

IN TESTIMONY WHEREOF, I hereunto set my hand and seal this 31st day of August, 1999.
