The invention identified above is a "Subject Invention" under Patent Rights clause 52.227-12, included in Contract No. F30602-97-C-0054 with the Defense Advanced Research Project Agency (DARPA).

Accordingly, this document is confirmatory of the paid-up license required to be granted to the Government under Clause 52.227-12(b) of this contract in this invention, patent application and any resulting patent, and of all other rights acquired by the Government by the referenced clause, a copy of which is attached hereto and incorporated by reference herein. The undersigned certifies the attached copy to be a true copy of said clause. It is understood and agreed that this license does not preclude the Government from asserting rights under the provisions of said contract or of any other agreement between the Government and the Contractor, or any other rights of the Government with respect to the above-identified invention.

The Government is hereby granted an irrevocable power to inspect and make copies of the above-identified patent application.

Signed this 5th day of March, 1999.
