## ASSIGNMENT

WHEREAS, CAESAR BERGER, 5356 Collingwood Circle, Calabasas, CA 91302,

Assignor, has invented a new and useful ELECTRONIC PRINTER for which an application for

United States Letters Design Patent was executed by him on or about the same date as this

Assignment; and

WHEREAS, Assignor believes himself to be the original, first and sole inventor of the

invention disclosed and claimed in the application for Letters Patent; and

WHEREAS, LinkPoint International, a Nevada corporation, having a place of business at

5310 Derry Avenue, Suite W, Agoura Hills, CA 91301, Assignee, desires to acquire by formal,

recordable assignment the entire right, title and interest in and to the invention, the application,

and any Letters Patent that might be granted for the invention in the United States and throughout

the world;

NOW, THEREFORE, in consideration of the sum of Ten Dollars (\$10.00) and of other

good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged,

Assignor hereby sells assigns and transfers to Assignee, the entire right, title and interest in and

to the invention, the application, and any Letters Patent that might be granted for the invention in

the United States and throughout the world, including the right to file foreign applications

directly in the name of Assignee and to claim for any such foreign applications any priority rights

to which such applications are entitled under international conventions, treaties or otherwise.

Further, Assignor agrees that, upon request and without further compensation, but at no

expense to Assignor, he and his legal representatives and assigns will perform all lawful acts,

including the execution of papers and the giving of testimony, that might be necessary or desirable for obtaining, sustaining, reissuing or enforcing Letters Patent in the United States and throughout the world for the invention, and for perfecting, recording or maintaining the title of Assignee, its successors and assigns, to the invention, the application, and any Letters Patent granted for the invention in the United States and throughout the world.

Assignor represents and warrants that he has not granted and will not grant to others any rights inconsistent with the rights granted by this Assignment.

Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patent granted for the invention, whether on the application or on any subsequently filed division, continuation, continuation-in-part or reissue application, to Assignee, its successors and assigns, as the assignee of the entire interest in the invention.

Assignor further authorizes and requests insertion below of the serial number and filing date of the application, when officially known:

Serial No. 29/110,113      Filing Date 9/31/99

IN WITNESS WHEREOF, Assignor has executed this Assignment.
