ASSIGNMENT

In consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration paid to each of the undersigned

Albert Robert Lowes and Mark Steven Luxford

the undersigned hereby sell(s) and assign(s) to **Eaton-Williams Group Limited, Station Road, Edenbridge, Kent TN8 6EG, England** (hereinafter designated as the Assignee) the entire right, title and interest for the United States of America (as defined in 35 USC 100), and throughout the world, in the invention(s) known as **HEAT EXCHANGE EQUIPMENT**, for which application(s) for patent in the United States of America was filed on **July 21, 1999**, as Patent Application Serial Number **09/357,757**, in any and all applications thereon, in any and all Letters Patent therefor, and in any and all reissues, extensions, renewals, divisions and continuations of such applications or Letters Patent to the full end of the term or terms for which such Letters Patent issue, such entire right, title and interest to be held and enjoyed by the above named Assignee the same as they would have been held and enjoyed by the undersigned had this assignment and sale not been made.

The undersigned agree(s) to execute all papers necessary in connection with the application(s) and any continuing, divisional, reissue or corresponding application(s) thereof throughout the world and also to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.

The undersigned agree(s) to execute all papers necessary in connection with any interference which may be declared concerning the application(s) or continuation, division or reissue thereof and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with such interference.

The undersigned agree(s) to execute all papers and documents and perform any act which may be necessary in connection with claims or provisions of the International Convention for Protection of Industrial Property or similar agreements.

The undersigned agree(s) to perform all affirmative acts which may be necessary to obtain a grant of a valid United States patent to the Assignee.

The undersigned hereby authorize(s) and request(s) the Patent Office Officials throughout the world to issue any and all Letters Patent resulting from said application(s) to the said Assignee, as Assignee of the entire interest, and hereby covenants that he has (they have) full right to convey the entire interest herein assigned, and that he has (they have) not executed, and will not execute, any agreement in conflict herewith.
