ASSIGNMENT

ASSIGNMENT made by Andrew C. Gibson ("Assignor"), citizen of Great Britain, residing at 310 1/2 West Franklin Street, Chapel Hill, North Carolina 27516, to KLAUSSNER CORPORATE SERVICES, INC., ("Assignee") a corporation organized under the laws of the State of Iowa and located and doing business at Asheboro, North Carolina.

For good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, and subject to payment as set forth in a certain letter agreement dated October 20, 1995, between Andrew C. Gibson and Klaussner Furniture Industries, Inc., now Klaussner Corporate Services, Inc., Assignor does hereby sell, assign and transfer to Assignee, its successors and assigns, the entire right, title and interest in a SEAT and the invention therein as set forth in the application for United States Letters Patent therefor, for which I am making or have made application for Letters Patent, and for which I have executed a declaration on the 3rd day of September, 1999, and in and to said application and any divisions or continuations thereof, and any Letters Patent, obtained for said invention in the United States and foreign countries, or issuing out of said application or any such division or continuation thereof, and any reissues, reexaminations or extensions of any such Letters Patent.

Further, the Commissioner of Patents is hereby authorized and requested to issue Letters Patent for said invention to Assignee, as owner of the entire right, title and interest therein.

Further, said Assignor hereby covenants that Assignor has full right to convey Assignor's entire right, title and interest in said invention, and that Assignor has not executed and will not execute any agreement in conflict herewith.

Further, Assignor covenants that Assignor will at any time, upon request, execute and deliver any and all papers that may be necessary or desirable to perfect the title in said Assignee, to said invention or any Letters Patent that may be granted therefor, and that if Assignee, or its assignee, desires to make a substitute, divisional or continuation application to said invention, or to secure a reissue, reexamination or extension of said Letters Patent, to file a disclaimer relating thereto or an application for a corresponding patent in any foreign country, that Assignor will, upon request, sign all papers, make all rightful oaths, and do all lawful acts requisite for the said purposes.

Further, Assignor hereby acknowledges that Assignor's entire beneficial interest in the invention to which the above application relates is irrevocably vested in the Assignee including the right to make applications for protection in all countries abroad and to claim priority under the International Convention for such applications and hereby assents to the making of any such applications, with or without priority claim, and of any divisional application resulting therefrom.

Further, Assignor covenants that Assignor will at all times communicate to Assignee, its successors, assigns or legal representatives, all facts relating to said invention and Letters Patent, or the history thereof, known to them, and testify as to the same in interferences or other

litigation pertaining to the enforcement or validity of any and all patents relating to said invention when requested so to do.

Further, if this assignment is submitted for recordation at a time other than at the time of filing said patent application, Assignor hereby authorizes the above-mentioned assignee or the attorney of record to insert in this instrument the filing date and serial number of said application after the same shall have been identified by the United States Patent Office:

Serial No.: 29/110,392

Filing Date: 9/3/99

Signed and sealed this 3rd day of September, 1999.

Andrew C. Gibson
