ASSIGNMENT

Of: WOODEN BASKET

From: Sun Lacy, an individual
Leane M. Lefever, an individual
Jack Hindel, an individual
Harold Angles, an individual

To: The Longaberger Company, a corporation of Ohio

We, Sun Lacy, a citizen of the United States residing in Newark, Ohio, Leane M. Lefever, a citizen of the United States residing in Frazeysburg, Ohio, Jack Hindel, a citizen of the United States residing in Frazeysburg, Ohio, and Harold Angles, a citizen of the United States residing in Dresden, Ohio, are inventors of a new, original, and ornamental design for WOODEN BASKET, for which we are applying for Letters Patent of the United States by an application so titled, the specification of which was filed July 23, 1999 and has been assigned Application No. 29/108,283;

For good and valuable consideration paid to us from The Longaberger Company, a corporation of the State of Ohio having its corporate offices at 1500 East Main Street, Newark, Ohio 43058-3400, the receipt and sufficiency of which we acknowledge, by this Assignment;

We sell, assign, and transfer to The Longaberger Company our entire and undivided right, title, and interest in and to our invention of a new, original, and ornamental design for WOODEN BASKET, our said application for letters patent, the invention described therein, and

all rights appurtenant thereto and in all our applications related thereto, including each of the following: the right to apply for any letters patent for said invention in the United States and all foreign countries, all other applications for letters patent on said invention, in whatsoever countries, including all divisional, renewal, substitute, and continuation applications based in whole or in part upon said invention or upon said application or related thereto; all letters patent that may issue thereon in the United States and foreign countries and all reissues, extensions, renewals, divisions, or continuations of letters patent granted for said inventions or upon said applications, to the full end of the term or terms for which said letters patent may be issued; and every priority or other right accorded by every international convention, treaty, or agreement that is or may be predicated upon or arise from said invention, application and other applications or letters patent therefor, all to be held and enjoyed by The Longaberger Company, its successors and assigns, all the same as we would have held and enjoyed had this Assignment not been made;

We authorize and grant the right to The Longaberger Company to file and prosecute patent applications in all countries for any part of said invention in our names or in the name of The Longaberger Company or otherwise, as The Longaberger Company may deem advisable under any international convention, treaty, or agreement or otherwise;

We authorize the Commissioner of Patents and Trademarks of the United States and the empowered officials of all other countries to grant, issue, and transfer any letters patent for the said inventions arising out of said application to The Longaberger Company, as assignee of our entire right, title, and interest therein, in accordance with this instrument of assignment;

We represent and warrant that there are no rights or interests outstanding inconsistent with the rights and interests granted herein; we covenant that we will not execute, grant, or transfer any rights or interests inconsistent herewith; we bind ourselves to execute and deliver to The Longaberger Company, its successors and assigns, any further documents or instruments and to perform any further acts that may be deemed necessary to enable it, its successors and assigns, to file the said applications for letters patent for the said invention in any country in which it may elect to file such applications, and to vest in The Longaberger Company, its successors and assigns, the title herein conveyed and intended to so be conveyed, and to enable such title to be recorded in the United States and each foreign country in which each such application may be filed so that any patent issued thereon shall be issued to The Longaberger Company, its successors and assigns; and we further covenant and agree, that we will, upon request, communicate to The Longaberger Company, its successors and assigns, any facts relating to the said invention and the history thereof known to us, and that we will testify as to the same in any interference or other litigation when requested to do so by The Longaberger Company, its successors and assigns.

IN TESTIMONY WHEREOF, we have hereunto set our hands on the day(s) indicated.
