**Granted: 06/30/98**

**Title: OSTEOPOROSIS APPARATUS**

**and in and to the application for said patent and all parent, divisional, continuing, substi-  
tute, renewal, reissue, and all other applications for U.S. Letters Patent or other related  
property rights in any and all foreign countries which have been or shall be filed on any  
of said inventions disclosed in said patent; and in and to all original and reissued patents  
or related foreign documents which have been or shall be issued on said inventions;**

**Authorizes and requests the Commissioner of Patents of the United States to issue  
to said Assignee, the corporation above named, its successors, assigns and legal  
representatives, in accordance with this assignment, any and all United States Letters  
Patent on said inventions or any of them disclosed in said patent;**

\* The State of incorporation of Hologic, Inc. was Delaware at time of execution. The reference to Massachusetts was an inadvertent error.

Agrees that said Assignee may apply for and receive foreign Letters Patents or rights of any other kind for said inventions, or any of them; and may claim in applications for said foreign Letters Patents or other rights, the priority of the aforesaid United States patent under the provisions of the International Convention of 1883 and later modifications thereof, under the Patent Cooperation Treaty, under the European Patent Convention or under any other available international agreement; and that, when requested, without charge to, but at the expense of, said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned or the undersigned's executors or administrators will, for the United States and all foreign countries, execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications or other documents on any and all said inventions; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns and representatives, all facts known and documents available to the undersigned relating to said inventions and the history thereof; testify in all legal proceedings; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said inventions and for vesting title to said inventions and all applications for patents or related foreign rights and all patents on said inventions, in said Assignee, its successors, assigns and legal representatives; and

**COVENANT** with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
