ASSIGNMENT

For certain sufficiently valuable considerations, receipt of which is acknowledged, International Rolling Mill Consultants, Inc. (hereinafter referred to as IRMC) assigns to Danieli United, A Division of Danieli Corporation of Pittsburgh, Pennsylvania, a corporation of the State of Delaware, the successors and assigns thereof, joint rights in, to, and under our invention disclosed in the Application entitled UNIVERSAL ROLL CROSSING SYSTEM, executed on even date herewith, together with said application and all divisions, renewals or continuations thereof, and joint rights in, to, and under all patents granted on said invention by any countries. IRMC warrants that it has full unencumbered ownership of the said invention, unconditional right to make this assignment, and that no license exists thereunder. It agrees upon request, without further consideration but without expense to it, to execute all papers and generally to do everything necessary to obtain and maintain patent protection for an exclusive enjoyment of said invention by and for said assignee everywhere in the world.

This assignment is made pursuant to an agreement dated June 20, 1988 between International Rolling Mill Consultants, Inc. and United Engineering, Inc. and is not intended to alter or negate any provision of said agreement. Should any conflict arise between this assignment and said agreement the agreement shall take precedence.

Signed and sealed this 3 day of OCTOBER,

1999.
