## ASSIGNMENT

Whereas EUA Cogenex Corporation, having an address at Boott Mills South, 100 Foot of John Street, Lowell, MA 01852, the owner by assignment, recorded in the US Patent and Trademark Office at Reel 9068, Frame 0757, of the application for Letters Patent of the United States of America entitled FLUORESCENT LIGHT FIXTURE, identified by Cesari and McKenna File No. 133017-0003, the specification of which was filed on March 26, 1998, and accorded Serial Number 09/048,554; and

Whereas RENOVA Technologies, LLC, whose address is 20 Thurber Blvd., Smithfield, RI 02917, and which, together with its successors and assigns, is hereinafter called "Assignee," is desirous of acquiring the title, rights, benefits, and privileges hereinafter recited;

Now, Therefore, for valuable consideration furnished by Assignee to it, receipt and sufficiency of which it hereby acknowledges, it hereby, without reservation:

1. Assigns, transfers, and conveys to Assignee its entire right, title, and interest in and to said inventions and discoveries, said application for Letters Patent of the United States of America, any and all other applications for Letters Patent on said inventions and discoveries in whatsoever countries, including all divisional, renewal, substitute, continuation, continuation-in-part, and Convention applications based in whole or in part upon said inventions or discoveries, or upon said applications, and any and all Letters Patent, reissues, reexaminations, and extensions of Letters Patent granted for said inventions and discoveries or upon said applications, and every priority right that is or may be predicated upon or arise from said inventions, said discoveries, said applications, and said Letters Patent;

2. Authorizes Assignee to file patent applications in any or all countries on any or all of said inventions and discoveries in the inventor's name or in the name of Assignee or otherwise as Assignee may deem advisable, under the International Convention or otherwise;

3. Authorizes and requests the Commissioner of Patents and Trademarks of the United States of America and the empowered officials of all other governments to issue or transfer all said Letters Patent to Assignee, as assignee of the entire right, title, and interest therein or otherwise as Assignee may direct;

4. Warrants that it has not knowingly conveyed to others any right in said inventions, discoveries, applications, or patents or any license to use the same or to make, use, or sell anything embodying or utilizing any of said inventions or discoveries; and that it has good right to assign the same Assignee without encumbrance;

5. Binds its heirs, legal representatives and assigns, as well as itself, to do, upon Assignee's request and at Assignee's expense, but without additional consideration to it or them, all acts reasonably serving to assure that the said inventions and discoveries, the said patent applications, and the said Letters Patent shall be held and enjoyed by Assignee as fully and entirely as the same could have been held and enjoyed by it, its heirs, legal representatives, and assigns if this assignment had not been made; and particularly to execute and deliver to Assignee all lawful application documents including petitions, specifications, and oaths, and all assignments, disclaimers, and lawful affidavits in form and substance as may be requested by Assignee; to communicate to Assignee all

facts known to it relating to said inventions and discoveries or the history thereof; and to furnish Assignee with any and all documents, photographs, models, samples, and other physical exhibits in its control or in the control of its heirs, legal representatives or assigns which may be useful for establishing the facts of its conceptions, disclosures, and reduction to practice of said inventions and discoveries.

In testimony of which it has executed this Assignment as an instrument under seal on the date indicated next to its name by a duly authorized individual thereof.
