ASSIGNMENT

WHEREAS, I, David A. Bailey, of Glendale
 County of Maricopa, and State of Arizona
 has invented certain new and useful improvements in
TARGET RESCHEDULER FOR AGILE SATELLITES

for which an application is about to be made for Letters Patent of the United States, said application having been
 filed on the 7th day of July, 1999.

Whereas, Honeywell Inc., a corporation organized and existing under the laws of the State of Delaware, and
 having its principal offices at Honeywell Plaza, Minneapolis, Minnesota 55408 U.S.A. is desirous of acquiring the
 entire right, title and interest in and to said invention, said application and in, to and under any and all Letters Patent
 to be obtained therefor;

Now, therefore, for good and valuable consideration to me paid by the said Honeywell Inc., the receipt of
 which is hereby acknowledged, I have sold, assigned and transferred, and by these presents do hereby sell, assign
 and transfer unto the said Honeywell Inc., its successors and assigns, my entire right, title and interest in and to said
 invention, said application and the Letters Patent, both foreign and domestic, that may or shall issue, including all of
 my rights under any and all international conventions, treaties and/or agreements concerning patents to which the
 United States is a party, and I do hereby authorize and request the Commissioner of Patents to issue said Letters
 Patent to the above mentioned assignee in accordance herewith.

I further authorize said assignee, its successors and assigns, or anyone it may properly designate, to apply
 for Letters Patent, in its own name if desired, in any and all foreign countries, and additionally to claim the filing
 date of said United States application and/or otherwise take advantage of the provisions of any international
 convention, treaty and/or agreement.

I do hereby covenant and agree with the said assignee, its successors and assigns, that I will not execute any
 writing or do any act whatsoever conflicting with these presents, and that I or my executors or administrators will at
 any time upon request, without further or additional consideration, but at the expense of the said assignee, its
 successors and assigns, execute such additional writings and do such additional acts as said assignee, its successors
 and assigns, may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all
 necessary assistance in making application for and obtaining original, divisional, reissued or extended Letters Patent
 of the United States, or any of and all foreign countries on said invention, and in enforcing any rights, occurring as a
 result of such applications or patents, by giving testimony in any proceedings or transactions involving such
 applications or patents.
