Re: Request to Change
Notice of Recordation of
Assignment Document
U.S. Design Patent Application
Serial No. 29/099,255
Filed: January 19, 1999
Our File: D-6517

Sir:

The above-identified application was filed on January 19, 1999. Along with the initial filing of the application, an assignment was submitted for recordation. We received a Notice of Non-recordation of Assignment Document on April 20, 1999. The original assignment recordation cover sheet did not list the name and address of the party to whom correspondence concerning the document should be mailed. The Notice of Non-recordation indicated that the original date of filing of the assignment document will be maintained if re-submitted with the appropriate correction within 30 days of the date of the Notice. The document was re-submitted on May 5, 1999, before the one month deadline of May 20, 1999. Therefore, the original date of submission of the assignment

July 27, 1999

document, January 19, 1999 should have been maintained. The Notice indicates a recordation date of May 5, 1999. This is in error. Please correct the recordation date to the original date of January 19, 1999.

Respectfully submitted

Christopher J. McDonald
