ASSIGNMENT

WHEREAS, **AVID Marketing, Inc.**, a corporation organized and existing under the laws of the State of California located at 3179 Hamner Avenue, Norco, California 91760 U.S.A., (hereinafter referred to as ASSIGNOR), hereby warrants that it is the owner and assignee of all right, title and interest to the patents and patent applications identified in Schedule A attached hereto (hereinafter, the "Subject Inventions"), filed with the U.S. Patent Office and the foreign patent offices, respectively.

WHEREAS, **AVID IDENTIFICATION SYSTEMS, INC.**, a corporation organized and existing under the laws of the State of California, having a place of business at 3179 Hamner Avenue, Suite 5, Norco, California 91760 U.S.A. (hereinafter referred to as ASSIGNEE), desires to acquire the entire worldwide right, title and interest in and to the Subject Inventions, including their application(s) and Letters Patent to be granted and issued thereon;

NOW, THEREFORE, for and in consideration of the sum of ONE Dollar (\$1.00) paid by the ASSIGNEE to the ASSIGNOR, and other good and valuable considerations, the receipt and legal sufficiency of all of which is hereby acknowledged, said ASSIGNOR, has sold and does hereby sell, assign, transfer and set over unto said ASSIGNEE, its successors and assigns the entire worldwide right, title and interest in and to said Subject Inventions and all improvements thereon, including the right to sue and recover for past infringement, in and to said application for Letters Patent thereon, in and to applications pertaining to or based upon said Subject Inventions and applications, including divisional and continuing applications and continuations-in-part, and in and to any and all Letters Patent which may be granted and issued on said Subject Inventions and applications, or any of them, not only for, to and in the United States of America, its territories and possessions but for, to and in all countries foreign thereto, together with and including all priority rights based upon any and all applications in the United States of America, and all countries foreign thereto, covered by this Assignment.

For the above-named considerations, ASSIGNOR does hereby further agree that at the request of ASSIGNEE, ASSIGNOR shall execute any and all papers for Letters Patent for said Subject Inventions and any and all other papers and documents and do all other and further lawful acts that said ASSIGNEE may deem necessary or desirable to secure, perfect and vest in the ASSIGNEE the entire worldwide right, title and interest in the Subject Inventions, including their applications and Letters Patent, and including the right to sue for past infringement.

And for the above-named considerations, ASSIGNOR does hereby authorize and empower the ASSIGNEE, its successors and assigns, to apply for and obtain, in its or their own names, Letters Patent for the said Subject Inventions before competent International

Authorities and the United States and in any and all countries foreign to the United States in which applications for Letters Patent can be so made or Letters Patent so obtained.
