ASSIGNMENT

WHEREAS, We, **Howard L. Douglas and Steven J. Moore**, are the joint inventors of an invention disclosed in an application for a utility patent entitled "**Process for Fabricating Countertops**" filed in the United States Patent and Trademark Office on **August 2, 1999**, as Serial No. **09/365,018** (hereinafter referred to as "Invention").

WHEREAS, **PREMARK RWP HOLDINGS, INC.**, a corporation duly organized and existing under and by virtue of the Laws of the state of Delaware and having its principal office and place of business at 300 Delaware Avenue; Wilmington, Delaware 19801 (hereinafter referred to as "Assignee") is desirous of acquiring the entire right, title, and interest in and to said Invention and in, to and under any patent or other proprietary protection, including protection under any Patent, Petty Patent, Patent of Addition, Utility Model, Confirmation Patent, Revalidation Patent, or Patent of Importation, which may be obtained in foreign countries on the subject matter of the Invention.

NOW THEREFORE, TO ALL WHOM IT MAY CONCERN:

BE IT KNOWN THAT, for the consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration received by us from Assignee, the receipt of which is hereby acknowledged, we have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer and set over unto Assignee, its successors, legal representatives, and assigns, the full and exclusive right to the Invention in the United States and in all foreign countries, and in, to and under the above referenced application for utility patent in the United States and in, to and under any reissue, divisional, continuing or substitute application therefore; together with the right to apply in all foreign countries, in its own name, for patent or other proprietary protection, including any Patent, Petty Patent, Patent of Addition, Utility Model, Confirmation Patent, Revalidation Patent, or Patent of Importation, which may be obtained on the subject matter of the Invention; and to claim any priority rights to which such applications are entitled under international conventions, treaties, or otherwise; and the right to appoint attorneys of its choice to represent it in filing and prosecuting such applications and in any patent or proprietary protection which may be issued or granted on the Invention in the United States or foreign countries; and we do hereby covenant and agree to fully assist Assignee in any litigation which may arise involving the Invention and to execute and assign to Assignee any applications or patents based thereon as may be requested by Assignee, all, however, at the expense of Assignee; and we do hereby authorize and request the Commissioner Patents and Trademarks of the United States and the office in each foreign country in which an application may be filed for patent or other proprietary protection on the Invention, to issue or grant patent or other proprietary protection to Assignee, for the sole use and behoof of Assignee, its successors and assigns.

IN WITNESS WHEREOF, we have executed this assignment (Process for Fabricating Countertops as Serial No. 09/365,018) on the date(s) hereinbelow indicated.
