## ASSIGNMENT OF PATENTS

I. WHEREAS, International Thermal Packaging, Inc., a corporation organized and existing under the laws of the State of California, with a place of business at 6730 San Fernando Road, Glendale, California 91201 ("Assignor") has or may have a right, title or interest in, to or under the United States Patents listed on Schedule A hereto and, to whatever extent existing, patent applications and patents outside the United States which claim priority of the applications for those United States patents.

II. WHEREAS, under a settlement agreement dated August 27, 1999, between, inter alia, Assignor and Tempra Technology, Inc., a corporation organized and existing under the laws of the State of Florida, with a place of business at 6140 15th Street East, Bradenton, Florida 34203-7754 ("Assignor"), the latter has a right to assignment of whatever interest Assignor has or may have in, to or under the above United States and non-U.S. applications and patents.

III. NOW, THEREFORE, in consideration of the settlement agreement between the parties hereto and of other good and valuable consideration by Assignee, receipt of which is hereby acknowledged, Assignor hereby sells, assigns and transfers unto Assignee, its successors and assigns, all right, title and interest in, throughout the United States

of America (including its territories and dependencies) and all countries foreign thereto, that Assignor has or may have in, to or under the United States Patents listed on Schedule A hereto and all patent applications and patents outside the United States which claim priority of the applications for the United States patents listed on Schedule A, as well as any divisional, reissue or reexamined patent based thereon, including the right to sue for and recover all damages recoverable from past infringements of said patents strictly for its own account without any share to Assignor.

IV. TO BE HELD AND ENJOYED by Assignee, its successors and assigns to the full ends of the respective terms for which said patents have been or may be granted, including any extension, as fully and entirely as the same that would have been held and enjoyed by Assignor had this assignment not been made.

V. Assignor represents and warrants that all right, title and interest assigned hereunder is free and clear of any lien, claim or other interest of any third party.

IN WITNESS WHEREOF, Assignor has caused this Assignment  
to be executed as of the 27th day of August, 1999 at Los  
Angeles, California.
