ASSIGNMENT

We, Ryan B. Hannigan of 726 Mountain Road, West Hartford, CT 06117 and Hussein A. Shehata of 33 Spring Hill Drive, West Windsor, NJ 08550, both USA, have invented certain improvements described in a patent application entitled TRIPLE LAYER, LAMINATED FABRIC WITH WATERPROOF, NON-BREATHABLE INNER LAYER, identified as Attorney Docket No. RBH-11, and executed by us on the dates set forth below, being owners of all right, title and interest in and to said application and in and to any invention described therein, and have full right to convey the entire interest, both legal and equitable, which is assigned herein, free from all prior encumbrances of any kind inconsistent herewith.

In consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which we hereby acknowledge, we hereby sell, assign, transfer and set over unto RBH Designs, LLC of West Hartford, Connecticut, a limited liability company of the State of Connecticut, its successors and assigns (assignee) the entire right, title and interest: in and to any invention described in said application, in any form or embodiment thereof; in and to said application; in and to any related patent application in any country based thereon, including the right to file patent applications under the provisions of any treaty or convention; and in and to any and all patents or reissues or extensions thereof to be obtained in any country upon said applications or any and all divisional, continuation, continuation-in-part or substitute applications based thereon in any country; and we hereby authorize and request the issuing authority in any country to issue any said patents to said assignee.

We will on request, without any further payment or compensation by said assignee except for reasonable, necessary expenses: execute and deliver, on request, all legal papers required to make any of the foregoing provisions effective; communicate to said assignee or its representatives any facts and testify in any interference or other legal proceeding relating to said invention or inventions including evidence for interference purposes or for other legal proceedings; and generally do everything reasonably possible to aid said assignee to obtain and enforce proper patent protection for said invention or inventions in any country.

IN TESTIMONY WHEREOF, We have hereunto set our hands and seals on the dates indicated below.
