its successors, assigns and legal representatives (hereinafter called the "Assignee"), the entire right, title and
interest, for the United States, in and to certain inventions relating to

ELECTRONIC DEVICE, CONTROL METHOD THEREOF AND STORAGE MEDIUM

and described in an application for Letters Patent of the United States filed on August 31, 1999
and which has been accorded Application No. 09/386,220 and in and to said application, and all
divisions, renewals and continuations thereof, and all Letters Patent of the United States which may be
granted, thereon, and all reissues and extensions thereof; and I hereby authorize and request the Commissioner
for Patents and Trademarks of the United States to issue all Letters Patent upon said inventions to the
Assignee or to such nominees as it may designate.

AND I authorize and empower the said Assignee or nominees to invoke and claim for any application
for patent or other form of protection for said inventions, the benefit of the right of priority provided by the
International Convention for the Protection of Industrial Property, as amended, or by any convention which
may henceforth be substituted for it, and to invoke and claim such right of priority without further written or
oral authorization from me.

AND I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent
of any assignment, consent to file or like document which may be required in the United States for any
purpose and more particularly in proof of the right of said Assignee or nominees to claim the aforesaid
benefit of the right of priority provided by the International Convention for the Protection of Industrial
Property, as amended, or by any convention which may henceforth be substituted for it.

AND I hereby covenant that I have the full right to convey the entire right, title and interest herein
assigned and that I have not executed and will not execute any agreement in conflict herewith.

AND I hereby covenant and agree that I will communicate to said Assignee or nominees all facts
known to me pertaining to said inventions, and testify in all legal proceedings, sign all lawful papers,
execute all divisional, continuing and reissue applications, make all rightful oaths and declarations and in
general perform all lawful acts necessary or proper to aid said Assignee or nominees in obtaining,
maintaining and enforcing all lawful patent protection for said inventions in the United States.
