ASSIGNMENT OF UNITED STATES PATENTS AND PATENT APPLICATIONS

THIS ASSIGNMENT OF PATENTS AND PATENT APPLICATIONS is made as of March 16, 1998 by and between Cabletron Systems, Inc., a Delaware corporation, ("Cabletron"), and Yago Systems, Inc., a Delaware corporation ("Yago").

RECITALS:

WHEREAS, Cabletron and Yago are parties to a certain Agreement and Plan of Merger dated January 14, 1998 (the "Agreement"), under the terms of which Yago agrees to transfer, and Cabletron agrees to purchase, certain acquired assets; and

WHEREAS, Yago is either a joint owner or the owner of the entire interest of the United States patent applications and United States patents listed on Schedule 1 attached hereto (the "Patents"), which constitute part of said acquired assets; and

WHEREAS, pursuant to said Agreement, Cabletron desires to obtain all of Yago's rights, title and interest in, to and under said Patents:

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by Yago, Yago hereby sells, conveys, assigns, transfers and delivers to Cabletron, its successors and assigns, all of its right, title and interest in, to and under the Patents, and the underlying inventions described therein, and all divisions, renewals, reissues, continuations and continuations-in-part thereof, and all Letters Patent of the United States which have been or may be granted thereon and all foreign counterparts thereof, together with the right to sue and recover damages for future or past infringements thereof and to fully and entirely stand in the place of Yago in all matters related thereto, all subject to the terms and conditions of the Agreement. Yago agrees to take such further action and to execute such additional documents as may be necessary to perfect Cabletron's title in and to the Patents and all foreign counterparts thereof.

Yago hereby requests the Commissioner of Patents and Trademarks (the "Commissioner") to record this Assignment of Patents and Patent Applications to Cabletron. Yago hereby further requests the Commissioner to issue any and all Letters Patent of the United States resulting from applications among the Patents or derived therefrom to Cabletron as assignee of the interests. Yago hereby covenants that it has full right to convey the interest herein assigned, and that it has not executed, and will not execute, any agreements inconsistent herewith.
