Re: Recordal at Reel/Frame 010121/0426
Dated: July 29, 1999

Dear Sirs:

This document is to correct a previous recordation. The recordation sheet attachment incorrectly listed 08/469,758 as one of the applications that the document should be recorded against. This number was in error and the document should instead be recorded against serial number 08/469,578. Please remove the incorrect recordal and now record this document against 08/469,578. If you have any questions, please advise.

Very truly yours,
