ASSIGNMENT AND AGREEMENT

For value received, I, Igor V. Guskov, of Princeton in the County of Mercer and State of New Jersey, hereby sell, assign and transfer to Trustees of Princeton University, having an office at Princeton, New Jersey 08544, U.S.A., and their successors, assigns and legal representatives, my entire right, title and interest, for the United States of America, in and to certain inventions related to **NON-UNIFORM RELAXATION PROCEDURE FOR MULTIREOLUTION MESH PROCESSING** described in application Serial No. 09/395,246 for Letters Patent of the United States, filed September 13, 1999, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and I also concurrently hereby sell, assign and transfer to Trustees of Princeton University my entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

I authorize Trustees of Princeton University to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from me, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Trustees of Princeton University to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I request that any and all patents for said inventions be issued to Trustees of Princeton University in the United States and in all countries foreign to the United States, or to such nominees as Trustees of Princeton University may designate.

I agree that, when requested, I shall, without charge to Trustees of Princeton University but at their expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
