ASSIGNMENT

WHEREAS, I/We,

Gregory Van Lint
Stoopkensstraat 72
3320 Hoegaarden
BELGIUM

have invented and own a certain invention entitled:

DEVICE FOR DISPENSING A LIQUID ONTO VALUABLES

which is fully set forth and described in:

- (a) _____ the United States patent application I, as the sole inventor (if only one name is listed above) or as a joint inventor (if plural names are listed above), am executing before the filing thereof and on the same date as I/We am/are executing the Assignment, which is the date appearing next to my/our signature below and I/we hereby authorize an attorney of record to insert here in parenthesis (application serial no: _____ and filing date: _____) the filing date and application serial number of said application when known, or
- (b) X _____ United States patent application serial number 09/230,101, received at the United States Patent and Trademark Office on January 19, 1999.

WHEREAS, **ICI BELGIUM N.V./S.A.**, having its head office at **Everslaan 45, B-3078, Everberg, Belgium** is desirous of acquiring the entire right, title and interest in and to the inventions described in said specification, all applications filed or to be filed for Letters Patent therefor, and all Letters Patent granted or to be granted therefor;

NOW THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, I, by these presents, and intending to be legally bound, do hereby sell, assign, and transfer unto the said Imperial Chemical Industries PLC its successors and assigns, the entire right, title, and interest in and to the inventions described in said specification and the application for United States Letters Patent therefor, all applications for Letters Patent therefor which I may subsequently file in countries foreign to the United States, and all original and reissued patents granted to me for said inventions, and all divisions and continuations of said applications, including the subject matter of any and all claims which may be obtained in every such patent, and the right, where such right can be legally exercised, in its own name to apply for and obtain patents therefor in countries foreign to the United States of America, including the full right to claim for any such application the benefits of the International Convention as fully and entirely as I could have done if the application had been filed in my name, the entire interest in any Letters Patent which may be granted on any such application in such foreign countries, and all improvements on said inventions or variations thereof which I have made or may make hereafter, all of said inventions, applications, Letters Patents, and improvements or variations to be held and enjoyed by the said **ICI BELGIUM N.V./S.A.** its successors and assigns for their own use and behoof, as fully and entirely as the same would have been held by me had this sale, assignment and transfer not been made;

AND I AGREE TO execute upon request and without further consideration any and all instruments and documents for the filing and prosecution of applications for Letters Patent, including original, divisional, continuing, and reissue applications, for the inventions assigned hereunder and for the assignment of the entire right, title, and interest therein to **ICI BELGIUM N.V./S.A.** its successors and assigns;

AND I DO HEREBY AUTHORIZE AND REQUEST The Commissioner of Patents and Trademarks of the United States, and any official of any country, or countries, foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue any said Letters Patent to **ICI BELGIUM N.V./S.A.**, its successors and assigns, as sole assignee.
