## ASSIGNMENT

In consideration of One Dollar and other good and valuable considerations, the receipt and sufficiency whereof are hereby acknowledged, the undersigned hereby assign to CENTURION INTERNATIONAL, INC., a Nebraska corporation, having an address of 3425 North 44th Street, Lincoln, Nebraska 68504, its successors and assigns, the entire right, title and interest in the invention or improvements of the undersigned disclosed in an application for Letters Patent of the United States, Serial No. 09/364,318, filed in the United States Post Office on the 30th day of July, 1999, entitled A SWITCHED, DUAL HELICAL, RETRACTABLE, DUAL BAND ANTENNA FOR CELLULAR COMMUNICATIONS, and in said application and any and all other applications for United States Letters Patent, which the undersigned may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent of the United States which may be obtained on any of said applications, and in any reissue or extension thereof.

The undersigned hereby authorize and request the Commissioner of Patents to issue said Letters Patent to CENTURION INTERNATIONAL, INC.

For said considerations, the undersigned hereby agree, upon the request and at the expense of said assignee, its successors and assigns, to execute any and all divisional, continuation and substitute applications for said invention or improvements, and any necessary oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application, and for the said considerations the undersigned further agree, upon the request of said assignee, its successors or assigns, in the event of any application or Letters Patent assigned hereby becoming involved in interference, to cooperate to the best of the ability of the undersigned with said assignee, its successors or assigns in the matter of

1 preparing and executing the preliminary statement and producing evidence in support  
thereof, the undersigned hereby agreeing to perform, upon request, any and all  
affirmative acts to obtain said Letters Patent of the United States and vest all rights  
therein hereby conveyed in said assignee, its successors and assigns, whereby said  
5 Letters Patent will be held and enjoyed by the said assignee, its successors and  
assigns, to the full end of the term for which said Letters Patent may be granted as fully  
and entirely as the same would have been held and enjoyed by the undersigned if this  
assignment and sale had not been made.

And for said considerations, the undersigned hereby assign to said assignee, its  
10 successors and assigns, the entire right, title and interest in said invention or  
improvements for any and all foreign countries and agree upon the request of assignee,  
its successors and assigns, to execute any and all documents that undersigned shall be  
requested to execute in connection with any and all applications for foreign Letters  
Patent therefore, including the prosecution thereof, and to execute any and all  
15 documents necessary to vest title in said foreign applications and patents in assignee.

The attorneys of record are hereby authorized to insert the serial number and  
filing date in the above blank spaces when received from the Patent Office.

Witness my hand and seal this 27 day of July, 1999.
