ASSIGNMENT

WHEREAS, I, **Michael S. O'Reilly**, a citizen of the United States of America, residing at 336 Main Street, Winchester, Massachusetts, 01890; along with **M. Judah Folkman**, a citizen of the United States of America, residing at 18 Chatham Circle, Brookline, Massachusetts, 02146, have invented certain inventions and improvements disclosed in an application for Letters Patent entitled "**Therapeutic Antiangiogenic Endostatin Compositions**", filed in the United States Patent and Trademark Office on May 20, 1999 and given the U.S. Application Serial Number 09/315,689; and

WHEREAS, **The Children's Medical Center Corporation**, a corporation of the State of Massachusetts having a principal place of business at 300 Longwood Avenue, Boston, Massachusetts, 02115, is desirous of acquiring full interest in the same;

NOW, THEREFORE, for and in consideration of Five Dollars (\$5.00) and other good and valuable consideration, the receipt and sufficiency of which I hereby acknowledge, I, **Michael S. O'Reilly**, by these presents do sell, assign and transfer unto **The Children's Medical Center Corporation**, my full, exclusive and entire right, title, and interest in and to said application, in and to any divisions, continuations, and reissues thereof, and in and to all inventions and improvements disclosed and described in said application, preparatory to obtaining Letters Patent of the United States therefor; and I hereby request the Commissioner of Patents and Trademarks to issue any and all Letters Patent of the United States resulting from said application, or from a division, continuation, or reissue thereof, to **The Children's Medical Center Corporation**, as the assignee, for its interest and for the sole use and benefit of **The Children's Medical Center Corporation** and its assigns and legal representatives;

For the same consideration, I, by these presents do sell, assign, and transfer to **The Children's Medical Center Corporation**, the full, exclusive, and entire right, title and interest in and to any foreign application or applications corresponding to said application, in whole or in part, in countries other than the United States, in and to any Letters Patent and similar protective rights

granted on said foreign applications, and in and to the right to claim any applicable priority rights arising from or required for said foreign applications under the terms of any applicable conventions, treaties, statutes, or regulations; said foreign applications to be filed and issued in the name of **The Children's Medical Center Corporation**, or its designee insofar as permitted by applicable law.
