ASSIGNMENT

u WHEREAS, we, Paul D. Levin, Ben Clawson, Vincent J. Suro, Shawn Fogarty, Jeff Sanders and Edward Oliver, have invented a new and useful improvement in PULSE OXIMETER WITH THERMOMETER, for which application papers for United States Design Letters Patent thereon have been executed by us on the 11th day of November, 1999, the 2 day of November, 1999, the 2nd day of November, 1999, the 5th day of November, 1999, the 2nd day of November, 1999 and the 2nd day of November, 1999, respectively, and

WHEREAS, Palco Labs, Inc., a California Corporation, herein-after designated the "Assignee" desires to acquire all rights to this invention, to the above-identified application and to any Design Letters Patent which may be obtained thereon.

NOW, THEREFORE, for valuable consideration received, we hereby sell, assign and transfer to said Assignee, its successors and assigns all right, title and interest in and to said invention in the United States and in all countries throughout the world, including those in and to the above-named application and any continuation, substitute, division or reissue application thereof, and the patent or patents which may be issued thereon in the United States, in and to any application or patent in any or all other countries of the world, and the right to file further applications in all countries throughout the world.

And we hereby agree that we will upon request execute any instrument which said Assignee desires to carry this assignment into effect, and perfect the title transferred hereby, or to prosecute any of the above-mentioned United States applications or any foreign application on this invention without additional consideration but at the expense of the Assignee;

And do further covenant and agree that we will, at any time upon request, communicate to said Assignee, such facts relating to said invention and Letters Patent or the history thereof as may be known to us, and we will testify as to the same in any interference or other litigation when requested so to do without any additional consideration, but at the expense of our Assignee;

And the Commissioner of Patents of the United States is hereby authorized to issue Design Letters Patent on said above-named application to said Assignee.

IN TESTIMONY THEREOF, ~~we~~ have hereunto subscribed our names on the dates listed below.
