ASSIGNMENT

In consideration of One Dollar and other good and valuable consideration, the receipt of which is hereby acknowledged, we, Emmanuli Shrayer of 16 Rawson Avenue, Lexington, MA 02173, and Richard J. Morganti of 11 Champa Road, Billerica, MA 01821; sell and assign to Standex International Corporation, having a principle place of business at 6 Manor Parkway, Salem, NH 03079 (hereinafter referred to as "Company"), its successors, assigns and nominees, our entire right, title and interest:

in and to the invention relating to improvements in METHOD FOR MANUFACTURING A DOME FROM AN UNDERSIZED BLANK invented by us, and shown and described in the application for United States Patent thereof executed concurrently herewith:

and in and to all applications for patents and patents for said invention, in all countries in the world, including all divisions, reissues, substitutions, extensions and continuations thereof:

and in to and all patents which may be granted therefore and all reissues and extensions thereof; and in all rights arising under or pursuant to any and all international agreements, treaties or laws relating to the protection of industrial property, including rights of priority resulting from the filing of any of said applications

We authorize and request the Commissioner of Patents and Trademarks and all other issuing authorities to issue all Patents on said invention or resulting therefrom to said Company as assignee of the entire interest, and covenant that we have full right so to do, and agree that we will communicate to said Company or its representatives any facts known to us respecting said invention and testify in any legal proceeding, execute all divisional, continuing and reissue applications and all assignments of said invention and of the right to apply for Letters Patent therefore in all countries, make all rightful oaths, sign all other lawful papers, and generally do everything reasonably possible to aid said Company, its successors, assigns and nominees, to obtain and enforce proper patent protection for said invention in all countries in the world.

We further authorize any officer of said Company to execute on my behalf all documents necessary for the filing of any such application including divisional, continuing and reissue applications and all assignments of said invention and all documents necessary to apply for Letters Patent therefore in all countries including making all rightful oaths, signing all other lawful papers, and generally doing everything necessary on my behalf to obtain and enforce proper patent protection for said Company for said invention in all countries in the world.

IN WITNESS WHEREOF, I hereunto set my hand and seal
this 25th day of October, 19 99.
