ASSIGNMENT

In consideration of the sum equivalent to One (\$1.00) Dollar and other good and valuable consideration, of which I acknowledge receipt, I,

Pontus Schwalbe, Larsbergsvägen 9, SE-18138 Lidingö, Sweden

sell and assign, for the United States of America and Its Territories and Commonwealth and Possessions, to

Globe Water AB, Box 10259, SE-100 59 Stockholm, Sweden

and to its successors and assigns (hereinafter called "Company"), the entire right, title and interest in and to all of my inventions and improvements disclosed in an application for United States patent for

Method and device for decontamination of ground

and the aforesaid United States patent application executed by me on

November 10, 1999 (filed 11/12/99 as SN 09/423,452)

and all patents which may be granted therefor, and all divisions, reissues, continuations and extensions thereof, together with the right of priority of any earlier corresponding patent application filed by me in the United States, or filed by me or on my behalf elsewhere, and I authorize and request the Commissioner of Patents to issue all patents on said inventions and improvements to said Company as assignee of the entire interest, and I covenant that I have full right so to do, and I agree that I will without further consideration but at the expense of said Company communicate to said Company or its representative all facts known to me respecting said inventions and improvements, and I covenant for myself and for my heirs and for my Executor or Administrator that I will, and they shall, without any further consideration but at the expense of said Company, whenever requested by said Company or its representative, testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and generally do everything possible to aid said Company and its nominees to obtain and enforce proper United States patent protection for said inventions and improvements.

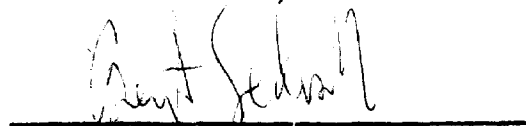

Pontus Schwalbe

}
