ASSIGNMENT

For and in consideration of the sum of One Dollar (\$1.00) in hand paid by CONTINENTAL PRODUCTS, INC. (hereinafter assignee), a corporation duly organized and existing under the laws of the State of Georgia, and having an office at 1013 Bonny Oaks Drive, Dalton, Georgia 307-1925 and for other valuable and sufficient consideration, receipt of which is hereby acknowledged, we, the below-named inventors, have sold, assigned, and conveyed and do hereby sell, assign, and convey unto the assignee our entire right, title, and interest:

(1) In and to an invention entitled "Tubular Core Assembly With Interlocking End Members and System for Use Thereof to Wind a Continuous Bed" as described in an application for Patent of the United States, Serial No. 09/412,388 filed October 5, 1989.

(2) In and to said U.S. application, in and to all other applications for Patent of the United States (including divisional, continuation, substitute, and reissue applications) based upon said invention, and in and to the patent or patents to be granted thereon, including extension and reissues, if any, to the full end of the term or terms for which said patents may be granted; and

(3) in and to all applications for patents on said invention now or hereafter filed in countries foreign to the United States of America, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted.

We hereby covenant and agree that we will, upon request of assignee, its successors, or assigns, and without further consideration:

- I. execute any and all papers deemed necessary by said assignee, its successors or assigns, to fulfill the intent and purpose of this agreement, and
- II. provide the assignee, its successors or assigns, with all pertinent facts and documents relating to said invention or said application and will testify as to the same in any judicial or other proceeding related thereto;

It being understood that any expense incident to such activities shall be paid by said assignee, its successors or assigns and not by us,

And the Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue the said Patent of the United States, and each of them, to the said assignee, its successors or assigns, as the assignee of our entire right, title, and interest herein.
