ASSIGNMENT

WHEREAS, WE, Philippe Jean Gerard DE CONINCK and Michel Pierre Charles ROBERT,
of 35 Rue P. Wiser, L-9092 Ettelbruck, Luxembourg; and
11 Viree du Renard, B-6640 Sibret, Belgium, respectively

have invented certain improvements in **TIRE TREAD**, and described in a patent application executed the 5th day of March, 1999,
by the undersigned for filing in The United States of America, being owner(s) of all right, title and interest in and to said application
and in and to any invention described therein and having full right to convey the entire interest both legal and equitable herein assigned,
and

WHEREAS, THE GOODYEAR TIRE & RUBBER COMPANY, of Akron, Ohio 44316, a corporation of the State of Ohio
(assignee) is desirous of acquiring the entire right, title and interest in and to said application and said invention described therein and
any and all patents to be obtained therefor, all as hereinafter set forth:

NOW, THEREFORE, in consideration of good and valuable consideration received by the undersigned, the undersigned does
(do) hereby sell, assign, transfer and set over unto said assignee, its successors and assigns, the entire right, title and interest in and
to said invention or inventions, as described in the aforesaid application, in any form or embodiment thereof and in and to the aforesaid
application; and in and to any application filed in any foreign country based thereon, including the right to file said foreign applications
under the provisions of the International Convention; also the entire right, title and interest in and to any and all patents or reissues
or extensions thereof to be obtained in this or any foreign country upon said invention or inventions and any divisional, continuation,
continuation-in-part or substitute applications which may be filed upon said invention or inventions in this or any foreign country, and
the undersigned hereby authorize(s) and request(s) the issuing authority to issue any and all patents on said application or applications
to said assignee or its successors and assigns.

The undersigned further agree(s) to execute all divisional, continuing, substitute, improvement, extension, reissue and other
patent applications in this or any foreign country relating to said application or invention and to sign all other lawful papers and to
perform all other lawful acts without further consideration, but without expense to myself (ourselves), which the assignee may deem
necessary or desirable to make this Assignment fully effective including by way of example, but not of limitation, the following acts:

- (1) Prompt execution of all lawful oaths, affidavits and/or supplemental oaths required or deemed advisable by the assignee to
further the prosecution of any application or applications for letters patent relating to the subject matter of this Assignment;
- (2) To cooperate to the best of my (our) ability in the execution of all lawful documents, the production of evidence, and the
giving of testimony in interference, opposition, nullification or infringement proceedings involving the said invention or
improvement, applications or patents or any of them

The undersigned hereby authorize(s) said assignee to insert in this Assignment the serial number and filing date of the above-
identified application when known.

IN WITNESS WHEREOF, the undersigned has (have) hereunto set his (their) hand(s) and seal(s) on the date(s) set after
his (their) signature(s)
