## ASSIGNMENT

Whereas, Robert A. Gelbman, (hereinafter referred to as assignor), has invented and owns a certain invention entitled Apparatus for Charging and Desulfating Lead-Acid Batteries for which application for Letters Patent of the United States has been executed on even date herewith; and

Whereas, Synergistic Technologies, Inc. (a Delaware Corporation), 17 Insbrook Drive, Huntington, NY 11743 (hereinafter referred to as assignee), is desirous of acquiring the entire interest in, to and under said invention throughout the world and the United States Letters Patent and any other patents anywhere in the world to be obtained therefor;

Now, therefore, to all whom it may concern: Be it known that in consideration of the payment by assignee to assignor of the sum of One Dollar (\$1.00), the receipt of which is hereby acknowledged, and for other good and valuable consideration, assignor hereby sells, assigns and transfers to assignee the full and exclusive right, title and interest to the said invention throughout the world and all Letters Patent of the United States to be obtained therefor on said application and any continuation, division, renewal, substitute, reissue or extensions thereof for the full term or terms for which the same may be granted, and any other patents for said invention anywhere in the world.

Assignor hereby covenants that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment and sale;

Assignor further covenants that assignee will, upon its

request, be provided promptly with all pertinent facts and documents relating to said application, said invention, said Letters Patent and any other of said patents throughout the world as may be known and accessible to assignor and will testify as to the same in any interference or litigation related thereto and will promptly execute and deliver to assignee or its legal representative any and all papers, instruments or affidavits required to apply for, obtain, maintain and enforce said application, said invention, said Letters Patent and said other patents throughout the world which may be necessary or desirable to carry out the purposes hereof.

Assignor hereby authorizes and requests the United States Commissioner of Patents and Trademarks to issue the said United States Letters Patent, when granted, to said assignee as owner of the entire right, title and interest in and to the same, for the sole use and enjoyment of said assignee, its successors and assigns.
